## Sale Terms and Conditions

### **Hay, Feed and Shavings**

All consignors are responsible for their own feed. Shavings will be available at the sale for \$7.00 a bag. Tack stalls are available for a \$25.00 fee.

### **Notice on Bid Numbers**

When registering for a bidding number, you can use your drivers license or social security number.

### **Registrations**

The sale requires that all original registrations and transfers be in place before the animal goes in the sale ring. The catalog number of the horse is the sale order number.

### **Terms**

All consignments must have a new halter and lead rope, otherwise the sale manager will supply one and charge the seller for the cost. No horse will be allowed to leave the barns without a checkout slip indicating full payment. Horses cannot be stalled until 8:00 am Wednesday. All sellers are responsible for their horses up until the time the gavel falls, after which the buyer has full responsibility. The Sale Manager reserves the right to reject a horse for any reason, including but not limited to: unsoundness, poor health condition or improper documentation of registration or health papers.

### **Buyers**

**ALL SALES ARE FINAL.** The seller guarantees the identity of the animal as it appears on the registration certificate. All horses will be transferred to the person indicated on the sale slip. Cost to transfer ownership of the consignment to new owners will be deducted from the sale proceeds. Title passes at the fall of the auctioneer's gavel, at which time all risk and responsibility for the horse passes to the buyer.

### **Warranties**

Age, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he/she bids as all sales are final. In the case of a typographical error or other error, the auctioneer will announce them, which will take precedence over the printed catalog. Buyers are therefore cautioned to pay attention to the auctioneers announcements.

### **Belgian Consignors**

All Belgian stallions must be blood typed before their foals can be registered. If you sell a Belgian horse eligible for registration at buyer's expense, you must have a completed application for registry and a signed transfer when checking in so we can hand it over to the buyer.

### **Percheron Consignors**

Percherons can not be sold as application for registration. They must be registered before the sale.

# Sale Terms and Conditions cont.

## **Guarantees**

No guarantees whatsoever, expressed or implied, are made by the Sale Manager, the Auctioneers, Pedigree Readers, Bid Spotters, or anyone else associated with Midwest Select Sale as to title or soundness of any consignment. Presentations given in writing by the consignor to the sale manager will be announced at the time of the sale as though by the consignor. Any claims made, based upon said presentations, guarantees, or omissions, shall be made against the consignor only and not the sale manager or any persons related to the sale. Sellers statements of soundness or unsoundness will be announced at the sale. **After the horse leaves the premises, there will be no return or refund on the horse.**

## **Liabilities**

Everyone is urged to use caution and care while attending the sale. Midwest Select Sale, all its members and all those associated with the sale in any way shall not be liable for any injuries sustained by anyone attending the sale. All parties entering the grounds where the sale is held, do so at their own risk and further agree that the organization responsible for the sale is hereby released from any liability or responsibility for any injuries sustained by them during the attendance of the sale and its related activities, from any case whatsoever. Children under 12 years of age must be accompanied by a parent or guardian or they will be denied access on the premises.

## **Private Sales**

**ABSOLUTELY no private sales on auction grounds before or after the sale.** All horses brought to the sale must go through the ring. Any private sales after a no sale in the ring must go through the office, and the appropriate commission rates paid. Anyone not following this rule may not be allowed to consign in the future. We are running this sale for YOU the consignor, please be courteous and help us pay the bills so this sale can continue.

## **Commission rates**

Draft Horses: 7% up to 8,000.00; 2% after \$8,001.00; no sale fee = 5% of the last bid. Vet inspection fee: \$8.00 per horse **even with a no sale**. \$75.00 non-refundable box stall fee for Draft Horses, \$25.00 fee for a tack stall.

## **Sales Tax**

The state of Wisconsin requires a 5.5% sales tax on tack. Sales tax permits and numbers must be furnished in order to be exempt.

## **Buyers payment**

Buyer shall pay for the horse(s) prior to the conclusion of the sale by one or more of the following means: cash, approved personal check, money order or cashiers check (US funds). Checks are to be made payable to Midwest Select Sale. A \$75.00 service charge will apply to all NSF checks.

## **Notice to Canadian Buyers**
