

## **WOOLLY/ENERGY CAPITAL HEALTH PROTOCOLS**

The following guidelines have been put in place in accordance with the recommendations of the Wyoming Department of Health, Converse County Health and Wyoming State Fair. Exhibitors, families and all service providers are expected to refrain from attending the show if they have been in contact with anyone exhibiting COVID-19 symptoms or testing positive for COVID-19 within the past 14 days or if you have a fever or other symptoms or if you are immuno-compromised.

Exhibitors and Show Arenas:

- 1) People may not congregate in groups larger than 10 and must follow social distancing guidelines.
- 2) Riders and those on foot (parents, trainers, exhibitors) must maintain 6 foot spacing between themselves and others at all times.
- 3) There will be separate in and out gates for the indoor arena. Please honor these and be respectful of the gate person's space and directions.
- 4) Those waiting for their class to start will not be allowed to congregate at or near the start cone. You will be asked to return to your stall area until your class time.

This is especially important for halter and showmanship classes. Once your division is called, you may come to the arena. Adequate time will be allowed for you to make your class. We know this is a major change from long standing show operations but our goal is your safety and enjoyment.

- 5) Spectators will be expected to sit in the stands. Only every other riser should be occupied. You will be asked to further separate if sitting too close together.
- 6) Foot traffic will be limited at the in-gate and during the warm up times for the indoor arena.
- 7) In order to pick up your numbers, you will be asked to sign a liability release. this release will be available on WQHA.org no later than 7/1. Exhibitors, or parents in the case of youth exhibitors, can sign this release and mail it with their stall, RV and entires to Mary Glass, show secretary.

Show Office:

- 1) Other than those working the horse show, only 1 person will be allowed in the show office at a time.
- 2) Hand sanitizer will be provided upon entry to the show office.
- 3) Whenever possible the office door will be open to enhance air flow and minimize group handling of common surfaces.
- 4) Hand sanitizer will also be available on the table outside the office where show results and scoresheets are placed. Please avail yourself of the sanitizer to protect yourself and others.

Common Areas:

- 1) Announcer's table, microphones, judges tables, chairs etc. Will be thoroughly wiped down with disinfectant before and after every performance.
- 2) Social Distancing signage will be posted on office door, announcers table, arena area and bathrooms.
- 3) Adherence to the 6-foot rule will be enforced at all times around the concession stand.
