

TOUBKAL BASE CAMP

The High Atlas Mountains

5 DAYS/4 NIGHTS

31ST OCT TO 4TH NOV 2024

Day 1

Arrive into Marrakesh Airport and transfer straight to Imlil, sitting at 1,700m and check-in to your guesthouse with sweeping 360 degree views across this mountain range. You'll have a fresh home cooked Moroccan Tajine and we'll have our welcome meeting.

Day 2

You'll have an easy going hiking day around the local mountain range, giving some time to acclimatise to the altitude. A visit to the waterfall bar for some freshly squeezed OJ, and a gentle hike for coffee with a view!

Day 3

Following breakfast, we'll hike up to the Toubkal Base Camp, sitting at just over 3,000m, where you'll be spending 1 night. A popular guesthouse with hikers, and the mountain valley views are incredible.
