Example of a Plot Plan

This is an example of a plot plan. Please create a plan for the property in which you are applying by showing:

1. Show all roads that are next to the lot.
2. Lot Dimensions
3. Septic and Well location
4. All existing structures including porches, decks and pools. Dimensions of all structures must be included.
5. Show the driveway and the size, along with any parking areas.
6. Include any proposed structures in which you are applying for.
7. Any other information that the Zoning Officer may request to make an informed decision.
8. Your drawing should be as close as you can to scale. This drawing should be an accurate portrayal of an overhead view of your property.
