Hip Hip, Hooray, our Auxiliaries are here to stay!

Hello Sisters,

It's hard to believe that I am already writing a November newsletter article. I don't know about anyone else, but I am not ready for the cold weather. Hope everyone has a wonderful Thanksgiving with friends and family.

Wow! What a fantastic Fall Conference. What an outstanding job Jan, Sandy and Scooter did planning and getting speakers. I am sure that everyone that attended took away something new to share with their Auxiliary sisters. Lot's of positive and creative energy the entire weekend!

Just attended PNWR in Pendleton OR. Lots of great information about getting and retaining members, ritual, social media and the Those that Serve program. It was great to see our Oregon, British Columbia and Alaska brothers and sisters.

As the holidays are approaching , try to be thankful for something everyday. Today, I am thankful that I have the honor of being your State Madam President.

See you on the Eagle trail.

Until next month,

Christy Ray

WA. State Madam President

MEMBERSHIP FOR SEPTEMBER

Hi Sisters! Well Fall Conference is behind us now. I really enjoyed working with the whole "M" TEAM. It was a success as far as I am concerned, because we got a lot of compliments on the speakers, the recognition and even the skit. Only one negative remark that the microphone needs to be in the middle of the room. I am still trying to figure out if they were speaking about me? "Just Kidding" The Auxiliary club recognition for getting new members and the individual recruiting recognition was very interesting as all over the state sisters and Auxiliaries got recognition. Most of the recognition was for either smaller towns or smaller Auxiliaries. So, it was quite interesting. Now to the current time and the future. We are doing so good right now towards the goals we need to get before May 31st, 2025, however we need to keep up the pace we are at now. My reasoning is that soon the weather will not be on our side, as well as 4 major holidays before January 2nd, 2025. So, let's work smarter not harder at getting New, re-enrolls each meeting. Remember that in a roundabout way dual members, and transfers can help your Aux, in the fact that they may know someone who is not a member yet, that would like to join your Aux. That new sister will of course count towards our State and Grand Goals. We can do this together; I know we can. I am very Proud of what you have done so far, and I am sure Our State Madam President Christy Ray is also very proud of each and every one of our Auxiliary's and sisters who are working to meet the goals.

Smiles and Hugs
