## *Sunshine Bulletin*

*September 2025*

Good day my Sisters,

They could turn down the heat any time. Since my message last month, we wrapped up July with Granite Falls and Everett. What a wonderful time we had at both places. I got to see sisters that I had not seen in a while. In August we started off at White Center where we enjoyed a great picnic. Our visit to Kent was great also. We then went to my home Auxiliary for our visit the next night. It was great to be home and to see them. They, as always, did an excellent job. After a day off we hit the road to Clarkston. We spent 2 days with them. We enjoyed a Friday Night Pizza and cruised down the Snake River the next day. What an amazing river trip. If you ever have chance to go, I highly recommend it. I would do it again. After the boat trip we gathered for dinner and fun was enjoyed by all. On Sunday, we took off to Dayton and had a very relaxed day with them. Made new friends that we will never forget. Then home again. On the 17<sup>th</sup>, we went to the District meeting at Cle Elum for our official visit. It was a good visit. Then off to Yakima for a visit on Monday. At Yakima we witnessed a proposal while we were having the meeting. Wednesday, the 20<sup>th</sup>, the visit was to Roslyn and then onto Wenatchee Thursday for FunVention.

So, till next month stay healthy and pray for those that need our prayers. Help those that cannot get out.

Oh!! MM & FF Thank you for the gifts you have sent me. It has everyone talking. ☐

Be kind, be safe and work together hand and hand.

Respectfully

Myloe Smith

Washington State Madam President

## Chaplain's Corner

We received this news after last month's bulletin was printed.

It's with a heavy heart that we share with everyone the news that we have lost a very dedicated Sister, Cara Lyn Rampley. She was a member of Tonasket #3002. She died in her sleep, after a short battle of pancreatic cancer. She held many positions in the Tonasket Auxiliary. She was also a long-time secretary as well as a Past Madam President. She will be truly missed. Her Memorial was held August 9. Cards and letters would be appreciated and can be sent to her husband

Terral (Terry) Rampley

Tonasket, WA 98855.

Walla Walla #26 Sister Carol Snyder fell and broke her hip and is now in rehab. Let's help her keep her spirits up by remembering her in prayer and sending her cards.

## 2025-26 Membership Corner

### Membership Message for September

Hello to all my sisters. Well, the month of July was the deadline for sisters to pay their dues. On the 18<sup>th</sup> of July the Grand Aerie dropped over 3000 sisters for not having paid their dues. That means the average for each auxiliary will be to get at least 50 new sisters for the year. I know that seems like an impossible task, but I have faith in all my sisters that we can do that.

I am looking forward to seeing all my sisters in Kelso on the first weekend in October. We have some fantastic speakers coming in for the weekend. We are bringing back the membership breakfast on Sunday.

Look forward to seeing all my sisters then. Safe travels to all.
