Back To School!

September, 2018

Web Site: www.puyallueagles.org

From Madam President Colleen

August was busy, but there's more

August was a busy month. On the 4th, we had our Annual Car Show. This was followed by the Annual Eagle Picnic at the VFW Campgrounds. I want to thank all the Auxiliary and Aerie members for helping out at these events.

As this summer ends, we will begin focusing more on our membership drives, as well as our various charity events, and, oh yes, let us not forget the Puyallup Fair and supporting our Seattle Seahawks new season.

On Thursday, September 20, we will be having our Fair Burger sales for the Auxiliary. If you are interested in helping out in the kitchen or with serving, please contact Gerri Cowling or Loni Andrews.

On Saturday, September 22, there will be a charity event for the Jimmy Durante Abused Children's Fund. I am sure that we will all step up to support our Chairman Christine Todd and Co-Chairman Mary Reynolds. Please reach out to either of these ladies to find out what they may need for the charity fund-raiser.

On Saturday, September 29, we will have our Membership Drive. We have always been successful in the past with this event, and I am sure that Valerie Coty, the Auxiliary Chairman, and Dave Andrews, the Aerie Chairman, will do well.

Mahatma Gandhi once said that "The best way to find yourself is to lose yourself in the service of others."

In a "Do Good Live Well Study in 2010," 4,500 American adults found that they felt physically healthier, that their sense of well being increased and that their stress levels were lowered. Other studies have shown that when people give to charities, the giving part activates the regions of the brain associated with pleasure, social connection and trust, creating a "warm glow" effect. Scientists also believe that the

altruistic behavior releases endorphins in the brain, producing the positive feeling known as the "helper's high."

I am sure that the people who helped out this last month at our car show, whether they be Eagles or participants, walked away feeling good about what they were able to accomplish for the Aerie Scholarship Fund for our local students. For those who helped out at the picnic, the feelings of good will and pleasure from enjoying the day with old and new friends left them with the "helper's high."

If you are wanting to volunteer for any event, or just help out at the club, your help will be very much

Relocation Committee making a lot of progress

After months of revising / reviewing of appraisals from both Sound Transit and Eagles' appraisers, a settlement has been reached. Our attorney recently addressed the Relocation Committee and Grand Aerie on all the findings and it was determined the costs and risks of a trial outweighed the potential gain.

The settlement offer that was accepted is \$2.4 million which is roughly right in the middle of the two appraisals.

The Grand Aerie agent that was assigned to us during this process has already submitted the paperwork to get our Charter reinstated. Design and permitting is now in the works for the new facility with the intent to begin the remodel during the first or second week of the new year. Stay tuned!

Membership incentives galore for the Auxiliary

Our State Madam President has challenged all the Auxiliaries to hold membership open houses and bring in 2,308 new members statewide for the 2018-2019 year! That number may seem familiar as our State Madam President is a dual member with our Auxiliary! So we need to do her proud and do our part to contribute to that goal which is why we have two membership drives/open houses planned!

Plus, we have our own Auxiliary membership growth goal to achieve this year as we need to replace members who didn't renew and achieve net gain of two per cent! I know it's challenging, but we did it last year by being the number one ranked Auxiliary with 243 new members! We can do it again Sisters!

As motivation to help us achieve these goals, there are many exciting membership incentives available from Grand, State, and our very own Auxiliary. In fact, there are too many incentive levels to list here, so be sure to check out the Auxiliary Membership Incentives poster/chart for all the details.

HERE'S THE GOOD NEWS

However, not to keep you in suspense about the Puyallup Auxiliary incentive, let me share the news! For every new member or re-enrolled member, you will receive one entry into a drawing for a Ladies Full Zip Hoodie and a Captain's Chair (both with FOE logos). For your entry to qualify, you must be the first proposer on the membership application *and* the potential new Auxiliary member must complete the initiation process and pay dues. Re-enrollees must complete the interview

appreciated. Usually the fall and winter months are the hardest for those who battle depression and anxiety. Please consider the information I have provided above, and try volunteering. Go for that "Helpers High." I assure you, it is a great feeling to have.

As we move further into fall and winter season, we will need more help with the activities we have for our members and children. When you attend meetings, you will find out what activities are coming up, and what donations or help will be needed to carry out the various club events or charities we support.

If you see me in the club, please do not hesitate in reaching out to me. I will also do the same.

For 'Da Kids'

Year's first raffle set for Jimmy Durante Fund!!

Hi! My name is Christina Todd and I am the new Auxiliary Chairman for Jimmy Durante Abused Children's Fund.

My first raffle will be on Saturday, September 15 from 4 to 9 p.m. With a little help from friends I am hoping to raise lots of money for the "Da Kids." If you would like to donate a basket or other new items, please leave your items at the Aerie with my name on them or call me and I can try and meet up with you. Bottles of spirits are always welcome.

I hope to see you on September 15!

A big thanks for our 2308 Picnic volunteers

Gary and I want to thank everyone who helped with the annual Daffodil #2308 Picnic that was held on August 11; and to all the members who attended despite the weather reports and the many other summer activities going on. A good time was had by all!

We had many new volunteers and those we can always count on — too many to list — but each of you contributed to make this event enjoyable for all! The team effort shown was so appreciated, and goes to prove that our Eagle volunteers are what keep this and many other events successful year after year! And for those who expressed interest in helping, we will keep your names for next year. It is great to see new faces and meet new members at these events.

Special thanks to our Manager, Loni; our Aerie Secretary, Jerry; to Linda for her help on getting things organized; and to Melissa for her good directions. Without this up front help, things would not run so smoothly!

To see pictures of many of the volunteers and attendees, check out our Facebook page at:

End of Summer Membership Open House set

As your Aerie and Auxiliary Membership Chairs, we are excited to let you know that we have our "End of Summer" Membership Drive / Open House set for Saturday, September 29. Get ready to "get your flamingos on" as we end summer and gain new members to Daffodil #2308!

We'll have membership specials, games to play (proceeds to charity), great lunch and dinner selections, and live music by "Accidental Heros." See the poster on page 5 for more details.

Dave and I will need your help in a variety of ways, such as door greeters, tour guides, and staffing the

membership table. If you're interested in helping, please let us know! And if you can't find us in person, you can always let Loni know and she'll be sure to get the word to both of us!

Please tell your non-member friends and family about becoming a member and join us on September 29 for a fun, flamingo-filled day! Let's make a great impression for our guests! Thank you and we look forward to bringing in new members to Daffodil #2308.

— Cheers, Dave Andrews

2018 Car Show was another great event

Brothers and Sisters,

We'd like to thank all those who supported this year's Car Show to benefit the Jim Samuelson Vocational Scholarship. Without the volunteers, participants and those who just came out to have a good time, we would not have had a successful event. With 136 cars entered, this was one of our biggest turnouts for participants.

Congratulations to the recipients of the scholarship, Nick Allen of Puyallup High School; the Jim Samuelson Award, Denny Sutter, Jim Phair and Mike Andrews; and Mike Sader who received the Dennis Edwards Award.

Of course, we must also thank all our sponsors, including O'Reilly's Auto Parts who donated the plaques and a big shout out (and apology) to the Daffodil Eagle Riders who donated to the fund. Unfortunately, we didn't realize the donation until after the t-shirts were printed so they didn't get the recognition they deserve. That group raises a lot of money for charity and has a lot of fun doing it. We are sorry for the oversight. Hopefully at our new building we will be able to keep the tradition going with some sort of show there so we can keep on supporting the vocational tech students.

— *Dave, and Loni Andrews, Chairmen*

Texas Hold'em

Food Bank gifts keep rolling in!

Our August Texas Hold'em game didn't break any records. However, those that were at the game had fun and brought in 204 pounds of food and \$110 for the Food Bank.

The winners were — in order — Margie Kaipainen, Mike Ripley, Carl Sandell II, Ray Parker, Brad Stevens, Andy Gee, James Gee, Suzanne Supplee and Rex Agoo. Congratulations to all of you. Our next game will be on Sunday, September 9. Remember to leave a little earlier as the Washington State Fair is upon us. Also remember to bring dona-

tions for the Food Bank.

Thanks to Mario T., Brad S., Laurie G., Keith and Pattie S., and Judy H. for all the help. We couldn't do it without you. Sean Monday was AWOL and was missed.

Our Judy Haley will be a year older by the September game rolls around. Ted Staab is still on chemotherapy and we wish him well.

We hope to see you in September.

— *Bob Reynolds,
Chairman*
