STATE PRESIDENTS MESSAGE

Brothers, I had the pleasure of escorting our Grand Worthy President Carl Burnett and his lovely wife Sylvia around to several Aerie's while they were in Washington State. A big thank you to Kent, Burlington, Auburn and Puyallup Aerie's for hosting them during their stay.

We have a busy schedule ahead of us. The Past Presidents Funvention on September 7th, 8th & 9th will be held at Yakima Aerie #289. Information is on the State Aerie Website: waeagles.org. September 14th & 15th will be the Eagle Valley Funfest. In October we have our Fall Conference on October 6th & 7th with the State Executive Board meeting on October 5th at Wenatchee Aerie #204. Wenatchee Aerie will also be the location for the Pacific Northwest Regional Conference on October 19th, 20th & 21st. Please support our Pacific Northwest Regional President, our own PSP Bill Stotko. I have been asked by Brother Bill Stotko to be his Regional Robert W. Hansen Diabetes Chairman. I am asking that all local Aerie Presidents appoint a chairman in their Aerie's and to put on at least one function for this charity.

A big thank you to all the Aerie's I have visited so far this year. You have been welcoming to me and generous to my charities. You are truly People Helping People in your local communities and at home.

Fraternally,

Mark J. Crouchet

MESSAGE from Auxiliary Zone 1 Marshall

Membership Re-Enrollment is very important for our Auxiliaries and I am hoping to encourage all Sisters to bring back these Sisters we have lost. Be aware of the opportunities each day to re-sign your Sisters and remember I am here to assist you.

September Message From State Madam President. Karen

Dear Sisters,

I hope you have all heard about Fall Conference in Wenatchee this year on October 5,6,& 7. Information has been e-mailed or hard copy mailed out to all Auxiliaries for this conference. It is going to be action packed with things to learn, share, and bring back to your Auxiliary/Aerie home.

We start out Friday morning with our State Trustees reviewing Grants for Charity Research followed by our Executive Board at 9 am; you are all invited to attend as this is how we do business at the State Auxiliary.

- Later that afternoon, we expect -- A BIG FAVORITE - to be the Ritual class which is hosted by the Ritual Marm, Rhonda Kollar. You will learn details about the Ritual that come from years of practice and experience. Rhonda brings 20 + years of experience, since she is only 40 something, so write down your questions and come expecting to improve your Ritual understanding, skills, and performance.
- There is a guarantee -- there will be something for everyone; especially, if you apply yourself to this class and you want to improve your Ritual knowledge.

Saturday morning we will have a joint opening. I have no idea if we will be having a rodeo or not, but that WILD "M team" has something up their sleeve that is sure to be informative, interesting, and down right exhilarating.

- We plan to have fun, laugh, and play together that weekend and it all starts with all of us dressing like the beautiful western women that we are. Who knows - we might have to have a fashion show.
- After session there will be two concurrent and interesting classes with handouts and information that will help your auxiliaries.
 - Auxiliary Chaplain Class WITH Cheryl Postelwaite that will assist you in your duties as a Chaplain in your Auxiliary.
 - Auxiliary Vice Squad WITH JoAnn Shultz that will help you plan your president's year and give you preliminary information about next year as JoAnn shares some of her ideas, dreams, and plans for her SMP year. Vice Presidents – don't miss this opportunity to get some tips for your year and share with JoAnn.

Saturday night banquet will have some scheduled Grants for Charity research to be given out, Grand Convention 2018 Awards that honor our State will be done, and the Dog Chain will pick new puppies for the upcoming year.

Sunday Morning, bright and early we have the Breakfast Seminar open to Auxiliary and Aeries, bring your husbands and share in the learning adventures that will teach us how to have a successful open house with information on the do's and don'ts for Open Houses. There just might be questions that you have on this issue; and if we don't know the answers, we will find out and get back to you.

- If every Aerie home had a joint Auxiliary/Aerie Membership Open House, we would meet ALL of our Washington State Membership Challenges.

WE ALL WIN!!!

- We grow our Auxiliaries and Aeries, We support our Aerie homes, and We will ensure a strong, steadfast place in the future of the Fraternal World.

WE CAN DO IT!! Together nothing can stand in our way!

Thank you for your support and I hope to see you all at Fall Conference in Wenatchee this year!

Fraternally,

Karen Hildebrand

Washington Auxiliary State Madam President

Phrom Phred

Greetings to all our brothers and sisters and welcome to a hopefully smokeless and cooler September. Man, the third week of August was brutal. I sure hope that the folks fighting all the wild fires around the state and region can get ahead of the fires and our weather can return to at least the “new normal”. September is shaping up to be a potential fun month. Yakima 289 is hosting the Past President’s “Fun-vention” on the 7th, 8th and 9th, Eagle Valley is gearing up for the Eagle Valley Funfest on the 14th and 15th and our Aerie and Auxiliary Presidents will be crisscrossing the state with their visitations. Now is the time to start planning for the fall events, such as the Fall Conference in Wenatchee the first week of October, the Pacific Northwest Regional Conference the third week in October again in Wenatchee and most districts beginning their new Eagle years’ meetings. These district meetings are very important to the health and well being of our Eagles. These are membership oriented gatherings that can be potential gold mines of information to use for the betterment of your Aerie or Auxiliary. The rub is, in order to utilize that information you have to attend the meetings. I know that it is difficult to attend all the district meetings in your district, especially if your district covers a large area, but try to attend at least the district meeting that your aerie is hosting. A couple of hours out of your day can be worthwhile to both you and your aerie. Check with your respective secretaries or membership chairmen for a schedule. September is also an excellent time to make up for those members who were dropped from the rolls after the new Eagle year. Each year a number of brothers and sisters are dropped for non-payment of dues, (failure to keep their membership current), many of those members simply forgot to pay their dues. Now is the time for you to contact those folks and get them re-enrolled. Your aerie and auxiliary can approve a motion across the floor to approve a special membership drive to offer a onetime re-enroll and waive the re-enrollment fee. The aerie or auxiliary takes a small financial hit but the overall benefits far outweigh the downside. Get with your local membership chairman to put that program in motion. If you don’t have a membership chairman encourage your Aerie President to appoint one. Now that fall is just around the corner the time to plan that last road trip is upon us. With the changing of the season the drive up and around the Mt Baker, Pilchuck area is breath taking. While you are there you can take advantage of the close proximity to Bellingham #31, Anacortes #249, Sedro Wolley #2069, Stanwood #3041, Burlington #3242 and Whidbey Island #3418. Google their addresses and stop by for a visit and meet new friends. They would love to show off their club. Well time to pick the pears and pull the potatoes so enjoy September and make a point to do at least one thing that will make the Eagles even better than it already is. Remember, YOUR State officers are here to help and rest assured we will keep the light on the F.O.E.

Fred Brattain, State Trustee.

JULY AND AUGUST 2018

I am now in my chair writing about this month because it has been very hard on most all of us in my opinion.

Getting back from Dallas, Lady Diana and I were very tired. Stepping off that plane the heat was over 100, and tired as we were, we were pleased to see Rick Ream. His car was cool, and the ride home was wonderful. Now I had a day or two to rest up, but Diana had to go to work at 6 in the morning.

On Monday I started cleaning up the house. With all there was to do it took a few days. On about the 27th of July I was carrying many boxes to my storage room and a barbeque grate fell over on my foot. With only soft slippers on, my toe got smashed pretty bad. God it hurt. It would not stop bleeding. So, now Bobby could not do much because every time I would do anything it would start bleeding and hurt like hell. There were a lot of bandages to soak up the blood. I used gauze and duct tape, changing the bandages every four hours. It was hard to sleep at night. Every day for three weeks it was over 100, but the gauze worked. I did not have any bloody sheets. The air conditioner started not working well. There was a bad smell in the house. Looking all over the house I could not find anything. This went on for two weeks. Then I needed more gauze for my toe. I found a drawer in the bathroom that was filled with bandages. As I took out the bandages, at the back of the drawer I found the stink in the house. Yes Sir! A dead rat! There was creepy crawly stuff with flies. It was bad. After three days the smell was gone. On the 24th of July Lady Diana and I went to Bridgeport. The Aerie had trouble with MMS and dues cards, and the officers not knowing what to do. Diana took charge and helped the officers. As most of you know she is a whiz in the Wenatchee office. The air conditioner at Bridgeport was broken down and they had fans, but they did not help much. I told them if they would come down to my house in Wenatchee they could have one, as I had two extra. Becky the bartender said she would be down that night. It was getting dark when the two of us left Bridgeport. Both of us had not eaten and were in need of food. Now home and in bad shape the refrigerator was raided. I went to bed. Becky called about 11:30 and told Diana she was in town. Now it's rare for Diana to wake Bobby. I got up and dressed, went out to my storage house and got the air conditioner. Wow! That girl is on it. As I got the hand truck to the fence she drove up.

My own air conditioner in the heat pump started not working well. So, the house started getting hotter every day. So, I called Matt. He came over and jumped out the heat pump and it started to work. But it lasted only until he was out of sight. I had a smaller second air conditioner and I turned it on. It helped, but not enough. After three more days it was so hot in the house that about three in the morning there was a terrible smell. Bobby went looking and after about an hour in the pantry a can of crab had blown up. It was like a bomb had gone off. The top of the can was twisted, and almost bent in half. The bottom was still holding, but pushed down about an inch and the crab was gone. The stench was unbearable. After cleaning up the pantry the stench was still around. At five AM I went back to bed. The next morning I called Matt and told him Lady Diana said it was 101 in her room and about the canned crab can. This prompted Matt to come over. Poor Matt, it was 104 and he was putting in a TXV valve in the attic no less. It was hard on him, but I gave him lots of ice water. The house is cool now, the smell is about gone, and the weather is better.

My toe is not bleeding. It's not sore, and now I can wear socks. I will lose the nail.

It seems with hot weather there is always problems. Yesterday Diana and I went back to Bridgeport. On the way the car got hot. The engine was out of water. I stopped at a farm. Two nice girls gave us water for the car. It was bad. It took half an hour of pouring water in the radiator to cool it down. Where the water went I still don't know. The road was being graded and graveled and there was a long wait for the pilot car to lead us on a long graveled road with gravel flying everywhere. Disheveled we got to the Bridgeport Aerie. There are so many fires that the smoke never lets up. All the way there and all the way back, breathing was hard, and eyes were hurting.

Bobby
