

October Message From State Madam President. Karen

Dear Sisters,

I hope you were able to attend Fall Conference in Wenatchee this year; that we all had new information, that we shared; and that we were our fraternal best with each other. Please consider having an open house to help your Auxiliary/Aerie home grow in membership and strength. If every Aerie home has a joint Auxiliary/Aerie Membership Open House, we would meet ALL of our Washington State Membership Challenges. In this effort, **WE ALL WIN!!!**

- We grow our Auxiliaries and Aeries, We support our Aerie homes.
- We will ensure a strong, steadfast place in the future of the Fraternal World.

Windy, Ella, and Joan are going strong and Sisters are getting their awards for bringing in new members. We have several with necklaces and when you get 10 and earn your pendant ear rings, your name goes on the bottom of my messages for the rest of the year.

This Saturday, September 22, is a sad day for Washington Eagles as we pay tribute to the contributions, dedication, and honor our past president John Noldan. The many small things he did for others will never be known except by the person he helped, countless people know that John took notice when help was needed and he just helped. That is just one of the precious attributes that his presence added to countless Brothers and Sisters - not only in Washington State but also at the Grand International level of our order. John will be missed.

WE CAN DO IT!! Together nothing can stand in our way!

Thank you for your support and I hope to see you all on the Eagle trail this year!

Fraternally,

Karen Hildebrand
