Brothers & Sisters

We will be putting on our 10th annual FREE Thanksgiving dinner November 22nd, 1pm to 3pm. I want to thank everyone who donated and helped last year. 25 volunteers served over 150 people, cooked 9 turkeys, and 2 hams. And numerous side dishes served.

If you would like to help this year, Thanksgiving day, give me a call and I will tell you what you can do to help with this project. I am asking for 12 turkeys and 4 hams this year. If you can cook a turkey or ham, help carve and pan, do dishes, serve, set up, clean up, make coffee, or just come in to eat and donate a dollar or two you are all welcome. We will need hot side dishes, and salads as well as deserts. I will have a signup sheet at the Aerie so as not to get all of one dish or desert. Call me to get on the list, or stop by to sign up.

Also we will be accepting donations for feathers, for our turkey on the wall again this year to help offset the cost of this free event.

If you know someone who would enjoy our family function please invite them. This is for the whole community, bring the kids. This is a FREE dinner. We will have coffee, juice, milk and all the fixings.

Thanks so much, *Bill Walton* (PH 509-669-6193)

Changes are afoot!

There are some major changes happening with our Auxiliary.

We will no longer be doing weekly Monday Night Dinners. Unfortunately the participation is down and food prices are up. At the end of 4 weeks (and at least 20 hours of work) we are usually left with maybe \$100 to donate to charity and regrettably, we don't have the volunteers to even justify that. So we will be doing a charity dinner once a month (it will be the same Monday every month, we just haven't decided which one).

That leaves our Queen of Hearts without a purpose. So we will be moving our Queen of Hearts Drawing to Tuesday Night. It has also had very little participation and we are hoping that by moving it to Taco Tuesday we can give it a bit more life.

We hope that you understand these changes, and continue to support the Auxiliary in our fundraising efforts. Remember that change is a sign of progress. Why struggle through when we can change things and make them better!

Thank You Bobby, Diana, Clidean, Alex, Sheri, Darlene, Chris, Zoe and Windy for participating in our FIRST EVER TRUNK OR TREAT! We had over 100 kids and it was a blast. Looking forward to next year!

As Told by Bobby...

EAGLE NEWS AT A GLANCE FROM MY POINT OF VIEW

Brothers and Sisters Fall Conference was as billed, a great success. Those of you that missed it missed a good one. The Wenatchee #204 Aerie was a jumping from what I saw. It was a good time for all. Well done to all in charge.

There are at this point three brothers that have thrown their hats in the ring for State Trustee that have never ran before. They are as follows: Bob Bradley, James Baldwin and Charles Carter! Nick Eli will also be running. That means that there will be an election this coming State Convention for State Trustee. The election will be wide open. Yes, this will be great fun for the rest of us. Pencil in the current trustees and it should be like the old days. In my opinion they are all great brothers.

Bob Bradley is from Longview Aerie and has just about sat all the chairs down there including secretary. James Baldwin is from Bellingham Aerie and is the current District 4 Deputy. Charles Carter is from North Kitsap and has a demeanor about him. You will like Charles as soon as you talk to him. Nick Eli is making a second try at it and is at this time the Honor Flight Co-Chairman.

The current Trustees are Fred Brattain, Kyle Strong, Dale Burgener, Jerry De Laurente, Bob Peel, and Mike Searles Trustee at Large.

Lady Diana and I just got back from Eagle Valley as I am writing this. The two of us went over to help work on the water system on Coyote Ridge. It will now be much better, with a 2-1/2 inch water line and a 3 inch electrical pipe running all the way to the top. The old water line was a 3/4 inch and now will hold an internet Wi-Fi cable. Anyway, the hill will be a much better place to camp now. There will be at least two 50 amp camp sights and if I am not mistaken the talk was of four. The big motorhomes now need 50 amp campsites. The sites will be so there is a straight shot drive, meaning they drive in and drive out, no backing up. All made easier for them.

These are the brothers and sisters that helped get the job done. Dave and Karma Krogh, Terri Oswald and Jim Christensen, Kyle Strong, Bobby Stritzel and Diana Reyes, John Downs, Greg Whitman and Karen, and the men that did the heavy work and brought the heavy equipment Jerrold Hoeth and his three man crew. Now we can't forget Marvin the caretaker. He did a ton of work, and let's all thank him in our own way. Even when his job is done he helps the rest of us. Next year all of us will miss him as Marv tells us all he won't be back next year

I am now looking forward to Pacific Northwest Regionals. Many of you will have attended when you read this, so I will just say that I bet it is going to be great because Fall Conference sure was. If you need to laugh do, but from here Bobby is hoping.

PNWR is the States of Washington, Oregon, Alaska and British Columbia. For those of you that missed it I am truly sorry. All those Eagles were in Wenatchee. Wouldn't all of you like to have met them? I do want you to know that we only have it in Washington every four years. I am just thrilled that it is in Wenatchee this year. Maybe by the time you read this I might have taken some of our brothers on a tour of the Wenatchee Valley. You could have gone as well.

Brother Bill Stotko and Sister Diane Clark are in charge as they are the PNWR Presidents. God! It must have been fun.

PS: Brother Bill Walton and Sister Darlene are now in the Dog Chain Gang. Be careful they might bite you!

PPS: Brother John Downs of Auburn has asked if I would write for the web site, so that is the reason for more current Eagle News. John is the Webmaster.
