

GRAND MADAM PRESIDENT'S CHARITY 2025

I will be serving this year as the Washington State Chairman for the Grand Madam President's Charity,

Brattlesboro Retreat". I understand this is one that GMP Rebecca Pelkey has personal experience with. Knowing this I would ask Washington to make a significant contribution to this charity.

Brattlesboro Retreat is a not for profit psychiatric hospital in Vermont offering compassionate mental health care for wide range of mental illnesses and addictions to adults, teens and young children. I am sure we can all see a great need for these services in this day and age. Many have personal experiences.

I am asking each auxiliary to hold a fund raiser for this charity. Please send first report to me by Sept. 15 including Chairman's name, address, phone and email address. Also include number on rolls as of June 1, 2025. The second Report is due May 1, 2026. Please also send copies of any checks submitted and total raised. I would also like to know what type of fundraiser was held.

Please use State Madam President Myloe's color, lavender, lavender rose and her mascot Olaf. Also include her theme "Working Together Hand and Hand for the FOE".

I am hoping we can raise a significant amount of money for this worth charity.
