Dear Sisters:

I'm not sure where to start. As the count down was going on, I had Castle Rock sisters, one in particular, not to mention any names, but it was JoAnna Anderson right down to the last day. Thank you.

This is an honor and a privilege to serve the State of Washington Auxiliary as your Auxiliary State Madam President.

Well, I headed to State Convention on June 9th. In order to get all my stuff there I had to ask for help from my Dad. Thank you Dad as I'd never of gotten everything there without you.

Our 77th Annual Convention was awesome. Great Job Christy. Saturday, I announced all of our team for 2025-2026. Then we were onto installation. I rode in on the Scooter with Fred on my arm. As they were calling the officers names and suddenly Fred and I were left all alone in the middle of the floor. Then it was our turn to be installed, I had this warm feeling all over me. The time had arrived. We were installed and taken to the hallway, where a very tall polar bear and Olaf joined Fred and I. They helped escort us back in and up onto the stage. Thank you Marty and Lisa. There I called the Auxiliary to there feet and sat them. Then I introduced my Special State Family. I skipped naming a few as they weren't present.

So on June 19th I made a visit to Renton Aerie #1722 to meet up with Don Marloty. But he didn't show up. A lot of people were asking me if I was lost and I said no. Just here to meet with Don. He was a no show so I went to the Auxiliary meeting. So it was my first meeting as State Madam President. By the time you get this I will of been to the meeting in Castle Rock and then off to Chehalis the next day. Thank you to them. I'm sure it will be great time. So next up will be attending our Fall Planning meeting.

So till next month continue to Work Hand and Hand Together for the F.O.E.

Please continue to B.E.L.I.E.V.E. in your self. See you all on the Eagle Trail.

Fraternally yours,

Myloee Smith

Chaplain's Corner

Brothers and sisters,

At the convention we received word that Jean Serles had gone to the hospital and wasn't able to come to the convention. We missed her and Mike. We also received a message that Chris Tarvin from Walla Walla Auxiliary has a serious illness and needs lots of prayers. Lavonne Kennedy was moved to a rehab to help her recover from the broken pelvis and back that was a result of the fall she had taken. Then we received the news that Brother Marvin Koop from Yakima Aerie passed away. Please keep all our brothers and sisters in your prayers. Fraternally, Carey Stotko State Madam Chaplain

Here are addresses if you care to send a card as well as keeping them in your prayers.

2025-26 Membership Corner

Hello to all my sisters in Washington State.

My name is Ritchie Wangler, Longview Auxiliary 2116, and I am your Washington State Membership Chairman for 2025-2026. Thank you, Myloe, for asking me to be your Membership chairman and having the faith in me to do a good job. Myloe's goal in membership this year is Net Gain plus 2%. As soon as I start getting reports in from your membership chairmen I will be getting those awards out to everyone. Don't forget Fall Conference in Kelso the first weekend in October. I look forward to seeing all my sisters on the Eagle Trail.

Ritchie Wangler, State Membership Chairman
