THE HEARTBEAT OF EAGLE VALLEY

390 WATSON CUTOFF RD.
CLE ELUM, WA
eaglevalleycamp.com

Eagle Valley Campground is more than just a beautiful retreat nestled in Cle Elum—it's a place built and maintained by the members of our Washington State Aeries and Auxiliaries. As proud owners of this special campground, it's up to all of us to ensure it continues to thrive for generations to come.

Every contribution counts when it comes to maintaining and enhancing the Eagle Valley Campground. Local Aeries and Auxiliaries are encouraged to organize fundraisers— Whether it's a dinner, raffle, 50/50 drawing, or having a "Campout in January" every dollar raised helps maintain and improve the campground we all share. All funds raised for Eagle Valley Campground should be sent to:

WA State Auxiliary Secretary
Linda Knowles
PO Box 1464
Castle Rock, WA 98611

Your efforts—big or small—make a lasting difference in keeping Eagle Valley a welcoming and well-maintained destination for all members.

Eagle Valley's mini golf course is one of our most popular attractions, and now your Aerie or Auxiliary can be part the fun!
