

*Washington State Auxiliary F.O.E.
Sunshine Bulletin
October 2026*

Sisters,

Wow sisters can you believe we are at the first of Fall.

Since last month we have been to Deer Park, Spokane Valley and Spokane #2, and Moses Lake. I am really having a great time getting to talk to you sisters and finding out what is going on in your Auxiliaries.

I'm looking forward to seeing what the M team has in store for us at Fall Conference at Eagle Valley. I hope that you all can send a representative to the conference to bring back the Information we receive.

I hope every auxiliary is working on bringing in new members but retaining the ones you have.

If you are celebrating your 100 anniversary and doing a big event, please let me know and I will see if my schedule will allow me to be there.

I look forward to seeing you on the Eagle Trail.
Loni Andrews S.M.P

Billie Sveska, State Chaplain

Sisters,

I am very happy to report that no one has notified me about any Sisters or Brothers being ill or passing away. Hopefully this is because everyone has been taking care and staying healthy and not because no one took the time to let us know.

What a good month. Please everyone let's keep this trend going.

May God look over all of you.

Happy Fall Sisters!!

Even though we had a significant drop in July, you sisters are doing a great job bringing them back and bringing in new sisters. We are only 11.58% from net gain as of mid-September. This is very doable! Since July 1st, we have brought in 323 new sisters and 129 re-enrolled members! West Seattle #2643 is in the lead for new sisters with 26 and Buckley #1387 & Daffodil #2308 are tied for re-enrolled members with 10 each. Looking forward to seeing you all at Fall Conference!

NEW MEMBERSHIP HARD CARDS

If you get a letter from the Grand Aerie PLEASE OPEN IT AND READ IT. Some members have thrown it away. Chances are it will be your new Membership Card. After May 31, 2027 these cards will be the only kind recognized as an official receipt of membership. There is a fee to replace it.

In the first batch that has been sent to the western states there is a printer error on about 2%, it will have PWP instead of PMP for some Auxiliary Sisters. You DO NOT HAVE TO NOTIFY GRAND as they are already aware of the problem and it is being taken care of. You will soon a corrected card.

You can, if you think you can.
