November 2025

Greetings Sisters,

Boy oh boy! You can surely feel the fall air and see the beautiful orange, yellow and brown leaves. Yes, Fall is here and before you know winter will be too. That is when you really need to check on the elderly, shut-ins and check on pets outside.

We have continued our journey of visitations; next stop was Lynnwood, had a great dinner and enjoyed the friendship and fellowship. We saw old friends and made a few new ones. Then we went on to Sky Valley. Nice small town to visit. Lots of friendly sisters to welcome me when we arrived. The beautiful flowers I received were truly amazing. Great turnout and a great dinner made by their new chef. Then I decided that since I was already in Sultan, where a Youth meeting was scheduled, I would attend. It was very interesting. Learned a few things. Then we went on to Orting. Boy! We had great dinner and enjoyed awesome friendship. Lots of people. They had all kinds of raffles going on to raise money for charities. Good job. Then we were off to Stanwood. Boy! Did we ever get a dinner I will not forget, Prime Rib. I cleaned my plate for sure. Lots of friendship and watched the football game. Fred and I spoke during breaks. It was great visit. Next up was West Seattle where we had a good time too. Lots of brothers and sisters working together as a team. Saw some old friends that I had not seen in a long time. Plus, Eagle Valley was represented and presented us with a gift also. From there we journeyed to Redmond. An Aerie that I had not been to in a while. Felt like old home week. When I first joined the Eagles, it was there. Good friendship and tasty food. The next night we were at Sno-Valley. Plus, we celebrated Fran Remillard's 88th birthday. It was a surprise for her. Fred presented her with a beautiful plant and one for Marsh too. Lots of fun. We are now into October and started it off with a day meeting at Tacoma #3. That was lots of fun. Saw more old friends I had not seen in a while. The lunch was delicious also.

Nighty Night at Olympia #21 was up next. I was really worried about what they were going to do to me for Pajamas, so I wore my uniform. They dressed me in an Olaf bathrobe and slippers. It totally was great. We played a Bunco game, won scratch tickets, and had lots of fun. And to end my monthly report on my journey throughout the State, we went to Fall Conference. Thank you, M- Team. It was great. After that it was time to journey home, take a break and get caught up on my chores.

Till next time.

Remember to be kind and be safe and work together hand and hand.

Fraternally

The following sisters have brought in thirty members each. They are Lynn Caley from Lake Chelan #2218; Lisa Schmidt from Granite Falls 3358 and Rita Kaufman from Orting 3480. Congratulations to these sisters, which is quite a feat for only 4 months into the year. Congratulations to Buckley 1387 for bringing in sixty-six new and reenrolled sisters.

There were 110 sisters at Fall Conference in Kelso. We hope that everyone has learned at least one thing from conference. Thank you, Kelso, you did a fantastic job with this conference.

I hope to get back on the Eagle trail soon and see all my Eagle Sisters. Have a safe Halloween and look forward to seeing all of you on the Eagle trail.

MERRY CHRISTMAS

Thank you!

To all my Eagle sisters and brothers:

Thanking all of you for the warm and wonderful feelings I felt on my 90th birthday when I received (and am still receiving) all the lovely birthday and get-well cards. It certainly was a very, very special time and will remain so for a long time to come.

Sure can't wait to get back on the "trail" and get caught up on hugs!

Love and hugs to you all,

Pat Morton

Thank you MM & FF for the gifts that you have given me on my journey through my visits. I have people guessing who it is. Got me seriously thinking. Whom ever it is THANK YOU.

Myloe, SMP
