

*Washington State Auxiliary F.O.E.
Sunshine Bulletin
September 2026*

Hello, Sisters,

Our travels began in June with a wonderful visit to Castle Rock, followed by the Oregon State Convention. Next, we attended the youth convention in Sultan, which was an excellent opportunity to engage with the young members who represent the future of our organization.

Over the Independence Day weekend, we participated in the parade in Eagle Valley. Following a brief return home, I traveled to Tonasket, Okanogan, Oroville, and Twisp. Despite the smoky conditions caused by ongoing wildfires, it was a beautiful drive, and our thoughts and prayers remain with the members who are actively fighting those fires.

Shortly thereafter, I visited Washougal and Longview. As always, these trips highlight the strength of our community in Washington State, ensuring that one is never truly traveling alone.

More recently, I traveled to Colfax and of course, I had to take a little excursion to Pullman, to see my cougars, then on to Clarkston, where we enjoyed a jet boat excursion along the river, taking in the sights of Washington, Oregon, and Idaho, and connecting with local members. We have also just returned from the national convention in Dallas, which was an excellent opportunity to reconnect and renew friendships with members from across the country.

Finally, as we approach the 100th anniversary of the auxiliary, I want to encourage all auxiliary sisters to focus on member retention and recruitment to ensure our organization remains strong.

Thank you for your continued support, and I look forward to seeing you soon.

Loni Andrews SMP

It has been a terrible wildfire season. Please keep all our Eagle Families, who have lost their homes, are forced to stay inside due to smoke, who are on an evacuation alert or have already been evacuated in your prayers. Let's pray that the firefighters will soon have the flames contained.

Sisters,
Since I just received my access to MMS,
I really have nothing to report other than we are
13.08% from Net Gain. Keep up the good work.

Luann Peel, State Membership Chairman
