

COMMUNITY SERVICE & H.O.M.E. Charities 2026-2027

This year Loni has asked me to be the state chairman for community service and H.O.M.E. charities. They are so closely related.

Community service is the time you spend helping your community, such as schools, food banks, taking friends and neighbors on errands. It is not monetary help.

The H.O.M.E. program is monetary help. This is for charities in your local area that do not fall into Grand charity category, such as your schools, food banks, and other local charities. If you donate money or items with monetary value, this is included in the Hands Of Many Eagles (H.O.M.E.) program.

My contact information is:

Cynthia Washington – Mattson

I am asking for 2 reports this year. I would like separate reports for the two programs. The first report is due September 15th. It should include the chairman's name, phone number, email, and Auxiliary name and number. I also need to know how many sisters were on the rolls as of June 1st, 2026. If you know what you will be doing for community service or the H.O.M.E program, please let me know in this report.

The second report will be due May 20th, 2027. This report needs to include the chairman's name, and auxiliary name and number, If it is the H.O.M.E. program it would be nice to have copies of any checks written to local charities and or a breakdown of the monetary value of donations.

The community service report should have a breakdown of the hours donated and for what.

“If you can Dream it, You can Do it”, we will be able to accomplish our goals!

Thank you in advance for your hard work.

Those filing the first report will be recognized at fall conference. To qualify for the state award both reports must be filed on time.

Thank you

Cynthia Washington – Mattson
