GENERAL EDUARD POLONIUS EDSEN.

From the age of twenty years General Eduard Polonius Edsen has been identified with the progress of the northwest. He was equipped with a liberal education at his arrival on the Pacific coast but otherwise had no capital with which to start life in this section of the country. Through the intervening period of years he has advanced steadily step by step, never fearing to venture where favoring opportunity has led the way, yet never rashly passing beyond the bounds wherein effort is guided by sound judgment. He is among the substantial citizens that Germany has furnished to the northwest. He was born in Husum, Schleswig-Holstein, April 29, 1856, his father being Hinrich J. Edsen, whose birth occurred in the same locality in 1825. He became a civil engineer and an officer in the German army, serving in the war of 1848. He married Miss Lucie J. Petersen, who was born in the village of Husum in 1831 and was descended from a long line of military officers. Mr. Edsen passed away in 1866 at the age of forty-one years, while his wife, long surviving him, died in 1900, in her seventieth year. They were consistent Christian people, holding membership in the Lutheran church, and their substantial qualities endeared them to all with whom they came in contact. Their family numbered three sons and two daughters.

The advantages of public school and college instruction were accorded Eduard P. Edsen in his youthful days, followed by the benefits of travel, in which way he spent the succeeding four years. On the 18th of November, 1876, he reached Portland, Oregon, and not long afterward secured a position on the farm of William Freels near the Sandy post office in that state. While there employed he used every opportunity to increase his knowledge of the English language. In March, 1877, he took up the business of salmon fishing, which he followed for a year in Brookfield, Washington, and later he pursued a course in a business college in Portland, while under private tutors he perfected himself in English. For a time he was employed as a deck hand on the Columbia river, later devoted six months to work at the lumber business and in filling contracts for wood at Walla Walla. In the spring of 1879 he found employment in Schlal's brewery and wholesale liquor business in Walla Walla and his capability and enterprise won him advancement through intermediate positions to that of general manager. About that time he made an unfortunate investment which resulted in the loss of nearly all of his earnings. In 1881 he formed a partnership with V. D. Lambert for the conduct of a real estate and insurance business at Walla Walla, where he remained until 1883. In the summer of that year he visited the Sound and in December took up his abode in Seattle. In January following he was admitted to the bar of the supreme court at Olympia and on the 4th of April, 1894, was admitted to practice before the United States supreme court. His mastery of no less than seven languages soon secured him the major portion of the foreign law business of the city and he was soon recognized as a leading member, of the Seattle bar and also won prosperity through other business connections. Moreover, his acquaintance was constantly broadening and his personal qualities won him favor with his associates. In November, 1889, he formed a law partnership with the Hon. Will H. Thompson and Hon. John E. Ullinpliries under the style of Thompson, Edseii & Humphries and for eight years that firm maintained a position among the foremost practitioners at the bar on the Pacific coast. When the senior partner was chosen attorney for the Great Northern Railway Company the partnership was dissolved and Mr. Edsen continued in practice alone. He has made a close study of the law and his knowledge is broad and comprehensive. He is seldom, if ever, at fault in the application of a legal principle and his ability is manifest in his able handling of a case in the courts and by his wise counsel. A man of scholarly attainments, his literary efforts have attracted much more than local attention, for he is a contributor to various magazines and papers in both prose and verse. It is said that he shows particular ability in the latter in his mastery of the dialects of the miners and other frontier people.

On the 1st of July, 1901, General Edsen was united in marriage to Miss Blanche Maric Clark, and their home is an attractive country residence, Edenwild, in Kitsap county. Mrs. Edsen is a daughter of Charles and Elizabeth (Sutton) Clark, both natives of England. To Mr. and Mrs. Edseii have been born two sons and two daughters, Eduard Primus Edsen, Marion Secunda Edsen, Vera Tertia Edseii and Clark Quartlis Edsen.

Aside from his professional connections General Edsen has figured prominently in the public life of Seattle and in large measure has contributed to the upbuilding and development of the city. His name is prominently known in connection with its military and fraternal interests. In 1884 he organized Company D, of the First Regiment of the National Guard of Washington, and

became its first captain. An expert drillmaster, that company, as well as Rainier Division No. 18 of the Uniformed Rank of the Knights of Pythias, which was organized by him in 1892, ranked among the best in the many competitive drills held in Seattle, Tacoma and New Westminster, B. C., carrying off prizes at each meet. He has held the office of assistant judge advocate general of the Washington brigade, filling the position with distinction for a number of years, and was aide de camp on the staff of Governor William A. Newell, with the rank of colonel. In 1878 he assisted in organizing the Walla Walla Artillery, which is now the oldest military company in the state, known as Company A, Second Regiment, N. G. W. General Edsen is also identified with various fraternal organizations, including the Knights of Pythias; the Knights of Malta; Knights of the Golden Eagle; United Ancient Order of Druids, of which he is deputy supreme arch, the second highest officer in North America; Ancient Order of United Workmen; Royal Arcanum; the Order of Chosen Friends; the four branches of the Independent Order of Odd Fellows, in which he served for sixteen years as president of the general relief committee, and for five years as department commander of the Patriarchs Militant, with the rank of major general; and the Fraternal Order of Eagles, for which he wrote the rituals for the grand aerie and subordinate aeries, complete with all its additional ceremonies, as well as the complete code of laws for the government of the order named. In the last mentioned organization he held the highest office, that of chief justice, with the rank of past grand worthy president. He is also a Scottish Rite Mason of the thirty-second degree. He assisted in establishing the Seattle Tumverein and from 1889 until 1903 was president of the George Washington Branch of the Irish National League. In 1894 he was sent to represent Washington at the World's Fair at Antwerp, Belgium, and was present when the fair was formally opened by King Leopold II on the 11th of May of that year.

In politics General Edsen is a stalwart republican and for several years was president of the German American Republican Club of Washington, as well as of the local branch at Seattle. He has been spoken of as "a man of distinction in political, professional and literary circles, and equally prominent socially." His life history indicates the possibilities which are open to young men of ambition and enterprise. He felt that the northwest offered opportunities superior to those found in other sections of the country and he used every legitimate advantage to further his progress. At first, because of a lack of acquaintance and a lack of knowledge of the English language, he had to accept minor positions, but he soon mastered the native tongue of the people and also soon demonstrated his ability so that advancement and promotion have followed, and step by step he has progressed until he now occupies a leading position as a lawyer, as a man of literary ability and as a citizen.

William “Bill” Stotko Grand Aerie Conductor

Bill Stotko, Grand Worthy Conductor, joined the Fraternal Order of Eagles in September of 1977, joining the Monroe Eagles #2327 in Monroe Washington. He quickly became involved in the Fraternal side of the Fraternal order of Eagles, working his way through the Officer chairs of his home Aerie. Although Brother Bill was a Truck Driver by trade, he could always be depended on to step up when assistance was needed in maintaining his home Aerie.

Brother Bill became President of Monroe Aerie in 1997 – 1998 after working his way up through the chairs. Brother Bill has also held the position of Aerie President. Bill eventually had to transfer to Everett Aerie 13, in Everett Washington, following the closure of his home Aerie. Since his transfer to Everett Aerie #13, Brother Bill has the positions of Aerie President and Aerie Trustee as well as the Aerie Secretary. Brother Bill has held the position of Aerie Secretary, for 7 Eagles years in both the Monroe Eagles as well as the Everett Eagles. Currently, Brother Bill is once again filling the position of Aerie Secretary.

Brother Bill became the Washington State Aerie President during the 2010 – 2011 Eagle year after working his way up through the chairs beginning his journey at the Trustee level in 2001 - 2002. During this period, Brother Bill was also very involved in the initial development of the Washington State Aerie training program, being a part of the original group that put the training program together. Much of the training program was later adopted by the Grand Aerie in the development of the Grand Aerie Training program.

Brother Bill was selected from among all the Past State Presidents of Washington State to be the Pacific Northwest Reginal President for the Eagle year 2018 – 2019.

During this same period of time, Brother Bill has also been very active in working with Aeries in difficulty throughout the United States. Brother Bill’s knowledge of the Grand Aerie Statutes as well as his respect for members rights, has given him the ability, working with these distressed Eagle Aeries and Auxiliaries, to bring them back into full compliance with our order.

Brother Bill has filled the position of Grand Aerie Elections Chairman for the last several years, being instrument in converting the election counting process into an electronic process that is able to tabulate the election count and provide results in hours rather than the days that it used to take. This same process was later adopted by the Grand Auxiliary as well.

Brother Bill and his wife Carey have been married for 33 years and have three children, Philip, Patricia, and Theresa. Additionally, Brother Bill and Sister Carey have seven Grand Children.

SUNSHINE BULLETIN

**HARVEST ... WHEN YOU WORK
TOGETHER THINGS FALL IN PLACE**

Hello, State Auxiliary Sisters,

It is so nice to see the sunny days and warmer weather. I am sure that everyone is eager to get out and about.

I am so glad that some of our Auxiliaries have been able to open, but I do realize some have not opened yet.

I want to remind all the State Sisters that we must work hard and be focused and make sure we don't lose our members by being dropped at the end of the year for non-payment of dues. Let them know how important they are to our Auxiliaries. Remember, we do not have the 3 months anymore to get our dues paid.

Thank you so much to the Sisters who have been working on membership and Charity work.

During the joint site meeting, difficult decisions were made by the Aerie on how we need to move forward. We were all reminded that we need to think outside of the box this year.

The Auxiliary executive board did vote on meeting for three days. The details have not been finalized as I write this. State Auxiliary Secretary Charlene Butterfield will notify the Auxiliary's once that is done. We are doing the best that we can, considering the State guidelines we need to work under.

Thank you so much to all the State Officers, State Chairman and all Auxiliary Sisters. I know we will have a successful conclusion to the end of the Eagle year 2020-2021.

I hope you had an opportunity to make one of the Grand Madam President Jacque Marble's official visitations.

Take Care!

Fraternally,

JoAnn Schultz, Walla Walla #26

Love, Prayers & Sunshine

HAPPY MOTHER'S DAY
MURIEL
FRAN AND DONNA

Spring has sprung and we can see a brighter future ahead. Before I get into the list of those needing love, prayers and sunshine, let me start out with Happy Mother's Day to all my Sisters. Now for the news:

- ◆ Gig Harbor **Sister Nancy Ramsey**, her son Lee and daughter-in-law Kim really need some support. On March 23rd, Sister Nancy's 18-year-old Grandson, Zach Hines Rager, was lost in the Chehalis River and the recovery mission had been unsuccessful in finding him. However, as of today, April 20th, the date of writing of this article, a body believed to be Zach was found and they are waiting on confirmation of the identity. BIG hugs to Sister Nancy. Mailing address: Sister Nancy Ramsey and family 7121 84th Ave NW, Gig Harbor, WA 98335
- ◆ Seattle #1 **Sister Donna Klippert** has been having heart issues since the end of September 2020 and had surgery on Wednesday, April 7, 2021. It went well, no stents required. Arteries looked good. She sends her thanks for all the get well wishes and cards she has received. If you still need to get one to her they can be mailed to her at: 12450 8th Ave So, Burien, WA 98168

STATE MEMBERSHIP CHAIRMAN KAT NOLDAN

Hi Sisters,

I hope this is finding you all in great health and good spirits. The weather has been great, and I have seen so many working in their yards, I haven't had a chance to yet, but in a week or two. I'm so proud of all the work you all have done in the last year, with clubs closed, or working at limited hours, capacity and so on. Last month you brought in 134 new and 53 re-enrolled members for a whopping total of 187 sisters. Way to go!!! We're coming up to the end of the 20/21 year, and we will be getting ready for State. Sorry to say but there will not be a membership luncheon this year, but we will be handing out all the awards for the year.

I understand that not all Auxiliaries are having meetings yet, but please keep sending in your reports to me even if you have nothing to report, You Are Doing Your Part By Sending In Those Reports.

Keep up the good work and I am looking forward to seeing as many of you as possible at State. I truly miss all my Eagle sisters so much.

Let's stay healthy, enjoy the May flowers, and do your part in keeping safe.

Love & Hugs to all, Kat Noldan St. Membership Chairman
