## RENO CONVENTION 2020

Brothers and Sisters with the Covid-19 the world as all of us know has changed forever. I was ready to be State President, I now have to start over. There is a lot to prepare for to be State President. This Covid thing has done a number on all of us. There were a lot of brothers and sisters that have died, and others have been extremely ill. This will end when a vaccine is finally given to us. Most likely after November third. There was not a State Convention and the Grand Convention in Spokane was cancelled and moved to Reno. People are all blaming each other for everything and until it's over there is no getting better. Government power is at a fever pitch and our liberty is in question. That being said I will be sending out new letters for visitations, asking all the Aeries to rescind all the old visitations. Let's hope that all the Aeries survive. But, we all know there are going to be losses. As people go, many small businesses are going to be no more. The world has taken a back seat, and recovery will take time. Let us all be alright.

Now on a good note! Lady Diana and I went to Reno for the Grand Convention. As most of you know Lady Diana has a Kia. Yes, I had to drive a Kia to Reno and Back. It was not that bad. All the baggage fit in with no problem. The first day took us to John Day, Oregon. The highway was 395 and there was not a lot of other cars on that road. The towns are far and few with lots of curves and hills. Diana smoked all she wanted, after all it is her car. That meant there were less stops for actual bathroom stops. It was about 5 PM when we got to John Day. Diana's leg started to hurt. I drove around town, and we ate at a nice restaurant. It had a 50's theme and the food was great. Across the street was a motel, the place looked good, so Diana got a room. Her leg was hurting a lot and in the morning it was bad. The thing was it did not get much better. We drove all the way to Burns before breakfast. Our Diana did not like the service or the food. The day went like that. It was so far to the next gas that we were on fumes. The road from there was scenic and still a long way between towns. The ones that were on the highway were so small that there were no stores or gas in any of them. The rest stops were all closed because of Covid-19, so our lady was not too happy about that either. After about (it seemed like forever) Alturas came into view. I had been telling Diana what a great town it was when I was there last. We went to the Niles Hotel. Both of us had to urgently use the bathroom and if you have never seen the Niles, you have missed out. It is like back to the 1920's. I took pictures. I would like to show them to you. If you ever get the chance go to Alturas, do. Diana got her coffee, you know the drill a large carburetor, French vanilla, extra sweet, non-fat milk, and 3 shots of coffee. We went to the Napa Store, and she got a sunscreen for the windshield of the car. Out of gas, we got some more. That Kia gets 27 miles to the gallon! Now the land got dry. Lots of sagebrush, and a few Juniper Trees here and there, still it was beautiful. Once again, we were almost out of gas at Remo. Then we stopped at the smoke shop. From there it was to the Nugget Hotel. The Grand Convention was on. It was noon.

The room was on the 22<sup>nd</sup> floor with one hell of a view. It was so nice that it seemed like we were brushing elbows with the rich and famous. But most were all eagles like you and myself.

Most of you that didn't get to the Minnie Grand Convention most likely will never see one, and for that I am truly sorry, but remember the next one will be a great one, go if you can.

There were no hospitality rooms per se, but the Four Corners had one and Dave Smith had one. Everybody had masks and everybody sat six feet apart at round tables. There was little "fan fair" and everything got taken care of. All in all, it was one of a kind wonderful convention. There were great restaurants in the hotel, and lots of one arm bandits. Diana had to settle for Starbucks, and the elevators were the fastest I had ever seen. Most of the business was done by noon each day. Every grand officer that was there did their part well, and we would get our temperature checked every time we came back to the hotel. All in all, it was a convention to remember.

When Lady Diana and I went out this is what would happen. There was a five-mile drive to Dutch Brothers, and a lunch at the original Mel's Diner. There was a trip to Harrah's Car Museum that I have pictures for all to see. The lunch at the Gold Dust Casino was out of this world at a great price and free apple pie. The pie was the best apple I have ever had. The Sparks Eagles was less than a mile away, and yes it was always loads of fun. The ride back home was a nightmare. I will tell you about it next time.

Bobby

## FROM FRED

Again, here we are moving down the calendar and little if any change to our lives as they were in March. Sure would like to see our national leaders do their job and get in front of this rather than finger pointing, ignoring the professionals and taking the month off. Oh well, seems each month it gets a little easier to say "Oh well". November is coming but I am skeptical that will make any difference. There isn't much to report on the Aerie side. As you know the State Convention, Youth Convention, Funvention have all been cancelled and the Fall Convention scheduled for Longview/Kelso is up in the air as Cowlitz county has fallen back to phase two and make it unlikely that the conference will be held there. From what I understand the powers that be are still working on that. Congrats are in order for our own Past State President Bill Stotko who was elected to the position of Grand Aerie Conductor and our Scottish/Canadian cousin Dave Smith from Penticton, B., C. was installed as the Grand Aerie President. My home aerie Castle Rock #556 was scheduled to host a dinner for Brother Dave but because of the corona virus restrictions we were unable to do that. My wife and I did travel to Woodburn Oregon with Past State President Jack (you guessed it Bubbles) Anderson and his bride State Auxiliary Madam Chaplain Jo Anna (the quiet one) Anderson. We had a good time but I must admit that I was uneasy with the number of folks who were not following the social distancing guidelines. If you want to press your luck, best of luck to ya but don't give it to me! I really haven't been following the membership progress the last three months so can't comment on that. Your state officers are still on the job. Brothers Dale Burgener, Charles Carter, Rick McBee, Jerry Delaurenti and I have been or will be putting on aerie officer training classes. I firmly believe that these classes will help the aeries function in the way they are designed to do without all the uncertainties that come with not being aware of the rules. I encourage all the aeries whether you are on the west side or the east side to take advantage of this program that your state officers offer. It beats the hell out of having a Grand Aerie Agent coming into your club and suspending your charter. I can be reached at [phastphreddy@peoplepc.com](mailto:phastphreddy@peoplepc.com). Touch base and we will set up a day of enlightenment. Time to go. Be safe, don't give up on the F.O.E. and remember YOUR state officers are still lighting the way to success. Fred Brattain, Washington State Outside Guard.

### THE EAGLE EYE

Dear Brother's and Sister's: "Patience"

Patience is a virtue according those who have it and a curse to those who don't. We here at Wenatchee #204 are once again trying desperately to practice that needed virtue and we know that so many of you are as well. This Covid situation has had everyone's life going from one end of the spectrum to the other as we don't seem to know what rules will change from day to day or what is permissible which, also seems to change weekly. So we fully understand the frustrations. The rules you practice in your daily life are the same we have to practice here at the club plus more because we are just that...a club. The summer season is officially over and the kids are "back in school" but for the life of me I don't know what that means now days. However, I do know many of us are looking forward to the coming seasons for our own personal reasons and September kicks them off as always.

Last I wrote...we were "kind of" back to business and then no sooner did I say that but what we were closed again. Add to that we were then allowed to open again with instructions to keep a bar and the people out on the patio. Now it seems we are allowed to remain open for both indoor and outdoor service but, WE MUST ALL WEAR "THE MASK". And of course tables have been separated according to the rules and only five to a table. And you can always come in and order from the bar menu and get a drink. We are currently open from 2:00 pm to 8:00 pm. Mon-Thurs and 2-9 Fri & Sat. Closed Sundays. So come on back and enjoy some company and do a little socializing for a change. At this point we do not have any events scheduled because we can't yet. Nor do we know when that will happen. We do however still sell the scratch off tickets and hopefully soon we will re-start the Ace of Spades. It's one step forward at a time for all of us so let's make the best of it and enjoy the brother and sisterhood that so many of us have missed over the last six months.

Regular Aerie and Auxiliary meetings are taking place on Wednesdays on the scheduled dates and at their respective times. We are also welcoming new members and will hold initiations accordingly. We are also holding Joint Officers meetings when advised.

Also, once there are enough members present the usual **Ace of Spades** and **Queen of Hearts** drawings will resume.

**OTHER STUFF**

The new By-Laws and House Rules are ready and the vote on them will take place on 9/2/2020. Come to the meetings to see what is new or changed!

Backyard BBQ's on Friday evening between 5:30 & 7:00 pm now until September 15th. You will be notified if it's decided to continue it further into the Fall.

As of this writing no regular "fun" activities within the club are taking place. We are trying to figure out if and how we can bring back things like pool and shuffleboard etc... We would also like to have the Cribbage Club and other regular groups back when that is allowed again. True it might take some effort to arrange seating differently to accommodate whatever current regulations are at that point but we have room to handle that. And as I said before we need customers to make starting up the Ace of Spades and Queen of Hearts again worthwhile for all.

Well folks, that's all the news I have for now. We are trying to get back to business. We are keeping the faith and our fingers crossed that we won't have to go backwards before we all can continue forward again and we hope you will come join us for a drink and spend some time visiting. WE LOOK FORWARD TO SEEING YOU!

## MESSAGE FROM YOUR WORTHY PRESIDENT

Hello Fellow Members.

I hope everyone is enjoying these last few weeks of summer.

I would like to thank you all for your patience these last couple of months. We are working diligently to stay in compliance with those ever changing rules and regulations for our establishment. I like to extend special thanks to **Joe Robertson** and **Edison Key** for all their efforts keeping us up to date and helping us to make the right and necessary adjustments for our Aerie to be able to stay open and keep things running smoothly.

Please keep the family of our brother and longtime member, Frank Cox, in your thoughts. Frank has been a wonderful member of this community for years, and we are going to sincerely miss seeing his smiling face.

Please give a warm welcome our new members that were initiated in August.

I am looking forward to serving our community with you!

*Your Worthy President*

# Aerie Meetings

Our Aerie meetings will be held every **first** and **third THURSDAY** each month at **7 PM**

This is the opportunity for our Eagle membership applicants to be interviewed by our interview committee starting at approximately 6 PM.

Initiations into our Eagles Aerie 1744 are conducted during the regular meeting at around 7:30 PM. In order to accommodate enough time for interviews and initiations we ask to please RSVP by email: [foe1744@gmail.com](mailto:foe1744@gmail.com)

According to Washington's new rule, people must wear face coverings in public indoor spaces, as well as outdoors if six feet of social distancing can't be maintained. One exception to keeping a face mask on would be when actively eating and drinking. Otherwise, masks need to be worn in most other situations, such as walking through common areas, going to the restrooms, and interacting with staff. We do have outside seating and smoking areas available.

We are looking forward to welcoming new friends to our Eagles' family.

Please wear your face covering.

## MESSAGE FROM YOUR LOUNGE MANAGER

Greetings!

In September I'll be starting my new position at our Aerie as the Bar Manager. I look forward to this new adventure and will do my best, as our operations continue during these difficult times. Our challenge is that we must constantly adjust to new rules and regulations which allow us to remain open and safe. With each day that passes we find that things are becoming a bit easier.

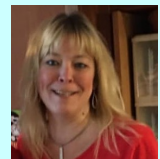

I'd like to thank the Board of Trustees for asking me to return in this new position, and I appreciate their time and efforts to keep things running smoothly. I also want to thank all of our bartenders for their positive attitudes, and the amazing jobs that they do!

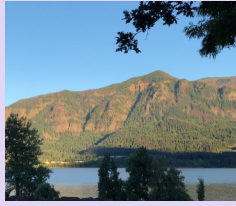

We will not be serving Sunday breakfasts after Labor Day as we have in the past. Information regarding meals and other events will be passed on as soon as we are cleared by the State to resume them.

On September 18th our Aerie will be hosting a District meeting, and all members are encouraged to attend and participate.

I hope that everyone has had a lovely summer, and that you enjoy this  
Labor Day weekend.

Until next time,  
your Lounge Manager,  
Chrisann

## MESSAGE

### FROM YOUR SECRETARY

Greetings Stevenson Eagles #1744.

I hope this message finds you all well. We are doing quite good considering all the challenges of late. My thanks to all who have renewed their membership, and to those who are intending to renew. Your support and desire to help others has made this Fraternal Order what it is. Sadly, this year we didn't have the County Fair and the opportunity to make lots of burgers - which is always a lot of fun, and a very successful fund-raiser. On the bright side, this year's golf tournament was a huge success as you will see later in this newsletter.

We appreciate and look forward to ideas from members for fund-raising activities and future events once the COVID dust settles. It really takes creative thinking to make things work with all the rules and regulations that we need to follow. If you can think of anything, please share it with us. If I can answer any questions, please contact me or my assistant Bee Lynch via [foe1744@gmail.com](mailto:foe1744@gmail.com), or call me at 360 521 3104. We have your back!

Be safe and when the time is right, please stop by and check out all the remodel work and new kitchen. I am so looking forward to putting our new kitchen to the test, when we are cleared to cook meals!

Cheers for now,  
Your Worthy Secretary,  
Joseph Robertson

P.S.: Please join us at our Aerie meetings, which are every first and third Thursday at 7 PM and every Stevenson Eagle member in good standing may attend to get some first hand feeling about our business and our motto: "People helping People". Any concerns and ideas may be presented to help our organization succeed. The last time most of our members attended a meeting was probably at the time of your initiation. Now might be the time to get involved and see first hand what YOUR Aerie is actually doing.

# GOLF TOURNAMENT 2020

by Rich Curran

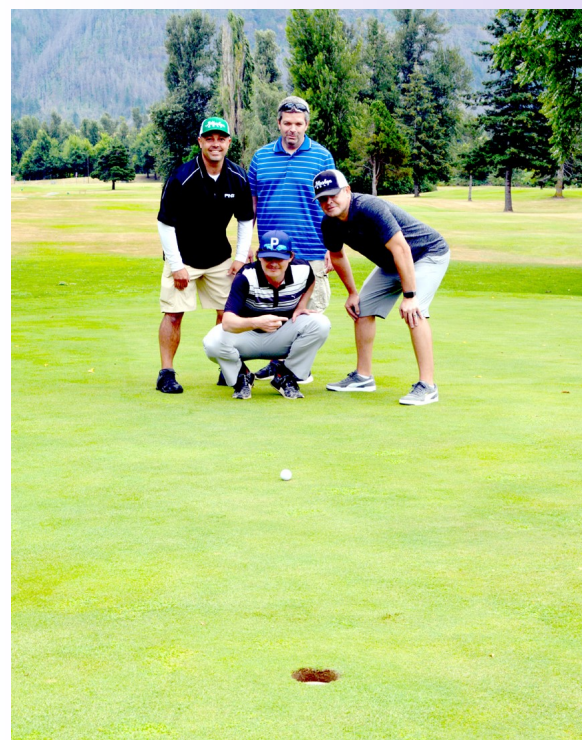

The Eagles held its annual SHS Scholarship Golf Tournament on Saturday, August 8th, at Beacon Rock Golf Course, where the two-time defending champs were finally dethroned! The team of Al McKee, Craig McKee, Steve McKee, and Corey Dutton made a late run to finish with a 13-under 59, to take the title by one stroke from defending champions Robert Waymire, Joe Bainbridge, Jack Jackson, and Tyler Nielsen. The defending champs were in the clubhouse with a score of 12-under 60 prior to the McKee/Dutton team finishing as one of the last groups of the day, and tournament director Rich Curran assumed that their score would likely hold up as the lowest score - so he photographed them as the winners for the next issue of the Eagles newsletter! By the time Rich realized that the McKee/Dutton team had posted a 13-under 59, the players had left for home! Therefore, our apologies to Al, Craig, Steve, and Corey - no photo of the winners!

For the second time in three years, the team of Jim Rockowski, Dave Currie, Ed Lamonte, and Nick Murphy made enough birdies to win the top net competition by posting a net -42, edging out the second place team of Mark Mayfield, Rich Hooper, Steve Schell, and Jim Baxter, who posted a net -46.

Rich Curran especially would like to recognize those golfers who donated their winnings back into the scholarship fund: The Mayfield team donated their entire 2nd place top-net winnings of \$120 back into the fund; Al McKee donated his \$30 share of the first place team winnings; and Ray Broughton donated his winnings of \$49 after grabbing the 50-50 prize on hole #17, where he nailed his shot to within 8'-11" from the pin! As Rich stated, *"Everybody at the tournament really got into the spirit of the day."* **Rich also offered his praise and thanks to the many hole sponsors for the tournament, comprised of businesses and individuals who graciously and generously donated to the tournament in support of the Eagles' scholarship efforts.**

*Defending Champs Tyler Nielsen (lining up putt), Joe Bainbridge, Robert Waymire, and Jack Johnson waiting for tournament results. In the end, they lost by one stroke to the team of Al McKee, Steve McKee, Craig McKee, and Corey Dutton.*

Additionally, Eagles President Jamie Obias observed, ***"Many have stepped up to the Eagles' motto of 'People Helping People.' A golf tournament like this can't happen without help from many fellow Eagles members. That list includes Sue Lofberg, Marissa van de Borge, Brook Massey, Jessica Chamberlin and Jim Lacoss. A special thanks goes out to Kim Calderon, who is not yet a member, but who spent the whole day Saturday working at the tournament!"***

Other winners of the various competitions:

Hole #1 Long Putt Competition - Steve Backlund (33');

Hole #3 Closest to the Pin - Jeff Clucas;

Hole #8 Women's Closest to the Pin - Meredith Butcher;

Hole #9 Longest Drive - Tyler Nielsen (over 300 yds!);

Hole #11 Closest to the 100 Yd Marker - Josiah Obias;

Hole #13 Closest to the 150 Yd Marker - Corey Dutton;

Hole #15 Closest to the Stripe - Joe Bainbridge;

Hole #16 Long-  
Butcher.

*The First Rule of Eagles' Golf Tournament is "You must have fun, or you will be ejected!" (Wait.... this isn't baseball....) Winning the prize for the team having the most fun is Ryan Crist (kneeling at left), Steve Ferguson, Manny Smith, and in keeping with the spirit of things, Elona Trogub (waiving the pin)! Obviously, Elona and Ryan have never played golf before, because they are having*

### **William "Bill" Stotko Grand Aerie Conductor**

Bill Stotko, Grand Worthy Conductor, joined the Fraternal Order of Eagles in September of 1977, joining the Monroe Eagles #2327 in Monroe Washington. He quickly became involved in the Fraternal side of the Fraternal order of Eagles, working his way through the Officer chairs of his home Aerie. Although Brother Bill was a Truck Driver by trade, he could always be depended on to step up when assistance was needed in maintaining his home Aerie.

Brother Bill became President of Monroe Aerie in 1997 – 1998 after working his way up through the chairs. Brother Bill has also held the position of Aerie President. Bill eventually had to transfer to Everett Aerie 13, in Everett Washington, following the closure of his home Aerie. Since his transfer to Everett Aerie #13, Brother Bill has the positions of Aerie President and Aerie Trustee as well as the Aerie Secretary. Brother Bill has held the position of Aerie Secretary, for 7 Eagles years in both the Monroe Eagles as well as the Everett Eagles. Currently, Brother Bill is once again filling the position of Aerie Secretary.

Brother Bill became the Washington State Aerie President during the 2010 – 2011 Eagle year after working his way up through the chairs beginning his journey at the Trustee level in 2001 - 2002. During this period, Brother Bill was also very involved in the initial development of the Washington State Aerie training program, being a part of the original group that put the training program together. Much of the training program was later adopted by the Grand Aerie in the development of the Grand Aerie Training program.

Brother Bill was selected from among all the Past State Presidents of Washington State to be the Pacific Northwest Regional President for the Eagle year 2018 – 2019.

During this same period of time, Brother Bill has also been very active in working with Aeries in difficulty throughout the United States. Brother Bill's knowledge of the Grand Aerie Statutes as well as his respect for members rights, has given him the ability, working with these distressed Eagle Aeries and Auxiliaries, to bring them back into full compliance with our order.

Brother Bill has filled the position of Grand Aerie Elections Chairman for the last several years, being instrumental in converting the election counting process into an electronic process that is able to tabulate the election count and provide results in hours rather than the days that it used to take. This same process was later adopted by the Grand Auxiliary as well.

Brother Bill and his wife Carey have been married for 33 years and have three children, Philip, Patricia, and Theresa. Additionally, Brother Bill and Sister Carey have seven Grand Children.

## SUNSHINE BULLETIN

**HARVEST ... WHEN YOU WORK  
TOGETHER THINGS FALL IN PLACE**

Dear State Sisters,

Fall will soon be here, but will Fall Conference? I have not heard anything definite as of this writing. If there is a decision made to hold Fall Conference, the State Madam Secretary Charlene will send out a notice to the Auxiliaries.

With the Counties in the State of Washington being in different phases and it can change at any time, it makes it exceedingly difficult to try and schedule a function as large as Fall Conference. I know it is very disappointing for the Sisters in the State to not receive the membership awards they worked so hard for. Please be patient with us, and as soon as we can, we will get them to you. Also, State Chairman, if you have not sent in your 2019-2020 end of the year report to the State Madam Secretary, please do.

I did go to the homecoming held in Prineville, Oregon for PGMP Gloria Williams. I am glad I went and I enjoyed it very much. PSMP Sue Ashmore was also there and some Sisters from Oregon I knew. It was nice to sit and visit.

Pacific Northwest Regional Conference will be held in The Dalles #2126, Oregon October 16-18. The Grand Madam President Jacque Marble, Sunnyslope #2957, Arizona, will be attending. She will not be making any official visitations to Washington State this upcoming year, so this will be an opportunity to see her.

**The GMP's theme this year is: RISE TO THE CHALLENGE! Let Our Legacy Live On!**  
**The Grand President's charity is the F.O.E. Diabetes Research Center- Bridge to the Cure.**  
**The Grand Madam President's special project is Camp Civitan.**

I want to thank all the Sisters and Auxiliaries who sent me a card when Larry first had his stroke and when he passed away. I deeply appreciate your kind words and sympathy.

I finally started to send out Thank You cards, I know I am terribly slow at getting that done. Again, THANK YOU SO MUCH.

Please take care and be safe.

Fraternally,

JoAnn Schultz Walla Walla #26

State Madam President

## STATE MEMBERSHIP CHAIRMAN KAT NOLDAN

Sisters:

Grand is really helping us to try and get back the Sisters who were dropped in July. In case you do not know, if a Sister was dropped in July of this year, she has until December 31, 2020 to re-enroll with no re-enrollment fee, just fill out the application and pay her dues and she will regain her years and titles. So let's see what we can do about rounding up as many Sisters as possible. I know that it is not easy with many of you still not allowed to have meetings but do the best you can and we will get thru this pandemic. Last month we signed up 131 new and re-enrolled Sisters. Keep up the good work.

It looks very doubtful if there will be a Fall Conference and as SMP JoAnn stated if something does develop State Secretary Charlene will send out emails.

Programs for the 20-21 year are coming together and we are looking forward to great success this Eagle year.

Looking forward to working with you and for you ...

**T** To all my sisters, I would like to truly and sincerely thank each and everyone of you who sent cards,  
**H** also, all of the ones who included beautiful words of encouragement. I will always be grateful for  
**A** the love and friendships I have had in the Eagles. I look forward to being able to see all of you again  
**N** soon. Donna Dunning

**K** Please convey our gratitude for all the special cards sent wishing Gordon & myself "Good
