## State Madam Presidents Message

To all my Sisters,

I have really enjoyed the visitations I have made so far. I am sorry that I was not able to attend the visitation to Tonasket #3002. The visitation to Moses Lake #2622 needed to be canceled, both will be rescheduled and the new date will be sent to the Auxiliaries.

I want to congratulate Sisters who have been working on Membership. Washington State was #3 in June with a total of 255 new and re-enrolled, and #2 in July with a total 206 new and re-enrolled! Keep up the good work and we will be able to reach Net Gain +2%.

**I want to recognize the Sisters who have been the top Auxiliary Producers in Membership.**

Dear Brothers and Sisters

David and I would like you to make your calendar for PNWRC, it will be Oct 18-20, in Cranbrook B.C.

This is a good time to make new friends and renew old ones, from Alaska, Oregon, Washington and of course B.C.

This is a good way to get charged up for the second quarter of the year. And just maybe learn something new too.

Fraternally your Pacific Northwest Regional Presidents

Lisa Kennelly

David Clowers

Dear Sister's:

I have been appointed the Regional Cancer chairman for the Pacific Northwest.

The FOE had a great year in 2018-19 raising over \$532,000. This was the 2<sup>nd</sup> year in a row that the Eagles raised over a half a million dollars for this dreaded disease that has effected all of us. We are making a difference supporting the research necessary to combat this disease.

Please have your cancer chairman contact me with your fund raising activities so I can include your information in my quarterly report to Grand Aerie. Let's show the rest of the jurisdiction how much we care about curing this disease. Contact me at 425-255-3771 or email: [fvmrem@juno.com](mailto:fvmrem@juno.com).

Thanks for all you do for others.

## Phrom Phred Phor September

Well, here it is September already and summer is winding down but fall is ramping up. At the risk of repeating myself, I do look forward to this time of the year. The spiders with their invisible blockades across the garden path (until the morning dew exposes this diabolical plan), the foliage starts to change from pale green to vivid reds, yellows and oranges and you have to appreciate the beauty of it all. By the end of August our skin is begging for moisture and (at least for those of us on the Westside) those mild almost foggy mornings kick starts the rapid absorption of moisture. I hope everyone enjoyed all the Eagle events during August. A big item was the visitation to Washington by our Grand Aerie President Ron Maltz. He visited Renton, Raymond, Castle Rock, Cle Elum and Puyallup. I do believe that Washington State Aeries did ourselves proud and we are the bench mark for all that follow. Now that September is upon us we must start the planning for a busy nine months coming up. Most District meetings begin this month, the Fun-Vention begins Friday September 6<sup>th</sup> at North Kitsap (Poulsbo), the Eagle Valley Fall Fest running from September 20 thru the 22<sup>nd</sup> and just when you think you can catch your breath October looms it's mighty head and we have Fall Conference in Yakima October 4<sup>th</sup> thru the 6<sup>th</sup>, Pacific Northwest Regional Conference in Cranbrook B.C. on October 18 – 20<sup>th</sup> and don't forget the Grand Coulee October Fest October 25<sup>th</sup> and 26<sup>th</sup>. For those of you who regularly attend one or all of these events, see ya there, and those of you who have never attended now is your chance to get out there and experience the entire Eagle traditions. In my travels this summer to the assorted Eagle events I had the pleasure to meet new friends and re-establish old friendships. Just about everywhere I went I met up with a couple whom I have known for years and seem to be tireless in their Eagle participation. Butch and Jeannie Parker, from Elma #1440, are always in attendance for Presidential visitations, special fund raising events, Eagle Valley events, holiday traditions throughout the Eagles and just there to show support. Jeannie is a Past State Auxiliary President and Butchie is one of those exceptional Brothers who does wonders outside the limelight. He truly is a giant in getting things done, money for a good caused raised and a real smile for all that he meets. If you get the opportunity to see this phenomenal couple, stop and say hi and thanks. They are one of the pillars of the Eagles. There you go Butch. Told you I would get you in here. Ok. Time to close. Although it is still early, don't lighten up on getting those new and re-enrolled members signed up. Worthy President Jim Holmes has set the bar really high for his year but we are more than capable of reaching net-gain plus 4%. The more we sign up now the easier we have it in April and May. Don't forget that your Aerie and Auxiliary officers are ready, willing and able to bring a multitude of training programs for all officers to your club or district meeting. This is a priceless opportunity to avoid the landmines associated with running a successful F.O.E. We, the State Officers, are proud to serve you and will continue to work to keep the light on the F.O.E.

**GRAND CONVENTION**  
**2019 – JULY 8 THROUGH 11**  
**PART TWO**

By Friday night Brothers and Sisters from all over the USA and Canada ascended on the Washington Hospitality Room. Let Bobby tell you! They all were having a great time. Our Hospitality Room was large. There was a balcony that over-looked the Ohio River. As one looked down there were three Stern Wheeler River Boats. They played music and went up and down the river carrying passengers. The view was unreal. The other side of the river was Indiana. Three bridges carried cars and trucks. There was a railroad bridge a half mile down river. Many tug-boats pushed barges up and down river. Yes! The Ohio River is large and dirty. It was greenish brown. There were chairs for people to sit in as Eagles went out to smoke and there was always that wonderful view. Diana had large jars filled with water for the smokers. Louisville is on the muggy side this time of year, and too long on the balcony would cause a lot of sweating. So, there was always an empty chair out there. Cheryl and Tom had a bedroom, Diana and I had one, and there was a third one. All totaled there were eight rooms and two bathrooms. The kitchen was large with all the amenities. There was a large laundry room, a dining room and a huge front room with couches and chairs (stuffed and regular). The place was great. Cheryl and Tom took charge of the bar. The Washington Delegation all helped as needed. There were breakfasts in the morning at seven. This did not give a lot of sleeping time, as many a night there were brothers still partying at 11:30 PM. I tried to cut off the bar at 10 PM many a night, but you can't say a lot to our Grand Brothers and Sisters. Carrie and Cheryl were great with lunches. There was always lots of food for all. Cheryl was a master of decoration. The house was right out of the 50's. It is my opinion that with all the people that came to our Hospitality Room that ours was by far the best of all of them. People enjoyed ours every day of convention.

As for the Tuesday Judging, that was our day to be judged. 50's music was played on a CD portable boombox. This was in the hall outside. The girls all wore poodle skirts and saddle shoes, they dressed the part. Tom and I also dressed the part, white tee shirts, jeans, boots, white bucks and cigarette packs rolled up on our sleeves. Cheryl and I danced them all into our hospitality room leading them doing the "Stroll". What a great show, but we did not win. New England beat us (throwing snowballs). What a shame, but there is always next year.

Bobby sold 200 convention pins and went to all the Grand Aerie sessions, having to leave each day early to be back at lunch time for all the Washington Delegation. Diana was always working hard with lunch along with Cheryl and Tom. This was hard work for all. I was told I was needed to socialize, so I did and helped as needed. I escaped every now and then. Shirts were bought and other things for brothers back home. I had a great time running up and down the halls, elevators, and visiting other hospitality rooms. You bet I was walking and talking with everybody about coming to Spokane next year. 90% of them are coming. Of course, I told them I would do tours if they came early.

On Thursday the room was not busy after lunch. I snuck out and went to two aeries. Derby City #2173 and Jeffersonville in Indiana. At Derby City they were giving out a free lunch. I had already had lunch but passed my hat around and collected \$50.00 to help pay for lunch. We all had fun. The van was to come back soon but after about an hour I asked a sister for a ride. She said yes. Two sisters from Oregon heard the conversation and asked if they could go. So, the four of us left. Low and behold as we walked out of the Aerie the van was leaving the parking lot. I said to one of the Oregon sisters to chase it down. She tried. What Fun. I got a license plate at Derby City.

Stay tuned for part three.

Bobby

## **William "Bill" Stotko Grand Aerie Outside Guard**

Bill Stotko, Grand Worthy Inside Guard, joined the Fraternal Order of Eagles in September of 1977, joining the Monroe Eagles #2327 in Monroe Washington. He quickly became involved in the Fraternal side of the Fraternal order of Eagles, working his way through the Officer chairs of his home Aerie. Although Brother Bill was a Truck Driver by trade, he could always be depended on to step up when assistance was needed in maintaining his home Aerie.

Brother Bill became President of Monroe Aerie in 1997 – 1998 after working his way up through the chairs. Brother Bill has also held the position of Aerie President. Bill eventually had to transfer to Everett Aerie 13, in Everett Washington, following the closure of his home Aerie. Since his transfer to Everett Aerie #13, Brother Bill has the positions of Aerie President and Aerie Trustee as well as the Aerie Secretary. Brother Bill has held the position of Aerie Secretary, for 7 Eagles years in both the Monroe Eagles as well as the Everett Eagles. Currently, Brother Bill is once again filling the position of Aerie Secretary.

Brother Bill became the Washington State Aerie President during the 2010 – 2011 Eagle year after working his way up through the chairs beginning his journey at the Trustee level in 2001 - 2002. During this period, Brother Bill was also very involved in the initial development of the Washington State Aerie training program, being a part of the original group that put the training program together. Much of the training program was later adopted by the Grand Aerie in the development of the Grand Aerie Training program.

Brother Bill was selected from among all the Past State Presidents of Washington State to be the Pacific Northwest Regional President for the Eagle year 2018 – 2019.

During this same period of time, Brother Bill has also been very active in working with Aeries in difficulty throughout the United States. Brother Bill's knowledge of the Grand Aerie Statutes as well as his respect for members rights, has given him the ability, working with these distressed Eagle Aeries and Auxiliaries, to bring them back into full compliance with our order.

Brother Bill has filled the position of Grand Aerie Elections Chairman for the last several years, being instrument in converting the election counting process into an electronic process that is able to tabulate the election count and provide results in hours rather than the days that it used to take. This same process was later adopted by the Grand Auxiliary as well.

Brother Bill and his wife Carey have been married for 33 years and have three children, Philip, Patricia, and Theresa. Additionally, Brother Bill and Sister Carey have seven Grand Children.

GRAND CONVENTION  
2019 – JULY 8 THROUGH 11  
PART TWO

By Friday night Brothers and Sisters from all over the USA and Canada ascended on the Washington Hospitality Room. Let Bobby tell you! They all were having a great time. Our Hospitality Room was large. There was a balcony that over-looked the Ohio River. As one looked down there were three Stern Wheeler River Boats. They played music and went up and down the river carrying passengers. The view was unreal. The other side of the river was Indiana. Three bridges carried cars and trucks. There was a railroad bridge a half mile down river. Many tugboats pushed barges up and down river. Yes! The Ohio River is large and dirty. It was greenish brown. There were chairs for people to sit in as Eagles went out to smoke and there was always that wonderful view. Diana had large jars filled with water for the smokers. Louisville is on the muggy side this time of year, and too long on the balcony would cause a lot of sweating. So, there was always an empty chair out there. Cheryl and Tom had a bedroom, Diana and I had one, and there was a third one. All totaled there were eight rooms and two bathrooms. The kitchen was large with all the amenities. There was a large laundry room, a dining room and a huge front room with couches and chairs (stuffed and regular). The place was great. Cheryl and Tom took charge of the bar. The Washington Delegation all helped as needed. There were breakfasts in the morning at seven. This did not give a lot of sleeping time, as many a night there were brothers still partying at 11:30 PM. I tried to cut off the bar at 10 PM many a night, but you can't say a lot to our Grand Brothers and Sisters. Carrie and Cheryl were great with lunches. There was always lots of food for all. Cheryl was a master of decoration. The house was right out of the 50's. It is my opinion that with all the people that came to our Hospitality Room that ours was by far the best of all of them. People enjoyed ours every day of convention.

As for the Tuesday Judging, that was our day to be judged. 50's music was played on a CD portable boombox. This was in the hall outside. The girls all wore poodle skirts and saddle shoes, they dressed the part. Tom and I also dressed the part, white tee shirts, jeans, boots, white bucks and cigarette packs rolled up on our sleeves. Cheryl and I danced them all into our hospitality room leading them doing the "Stroll". What a great show, but we did not win. New England beat us (throwing snowballs). What a shame, but there is always next year.

Bobby sold 200 convention pins and went to all the Grand Aerie sessions, having to leave each day early to be back at lunch time for all the Washington Delegation. Diana was always working hard with lunch along with Cheryl and Tom. This was hard work for all. I was told I was needed to socialize, so I did and helped as needed. I escaped every now and then. Shirts were bought and other things for brothers back home. I had a great time running up and down the halls, elevators, and visiting other hospitality rooms. You bet I was walking and talking with everybody about coming to Spokane next year. 90% of them are coming. Of course, I told them I would do tours if they came early.

On Thursday the room was not busy after lunch. I snuck out and went to two aeries. Derby City #2173 and Jeffersonville in Indiana. At Derby City they were giving out a free lunch. I had already had lunch but passed my hat around and collected \$50.00 to help pay for lunch. We all had fun. The van was to come back soon but after about an hour I asked a sister for a ride. She said yes. Two sisters from Oregon heard the conversation and asked if they could go. So, the four of us left. Low and behold as we walked out of the Aerie the van was leaving the parking lot. I said to one of the Oregon sisters to chase it down. She tried. What Fun. I got a license plate at Derby City.

Stay tuned for part three.
