STATE MADAM PRESIDENTS MESSAGE

Washington State Auxiliary Sisters,

Fall has finally arrived. The sun is setting earlier, sunrise is later, and you can feel it in the air. You need a sweater in the morning and are taking it off as the day warms up. This is the time of year that I love, when the leaves start changing to red, amber, orange and fall green. It soon will be time for hot chocolate, spiced cider, warm fuzzy lap robes and good books to read.

I have really enjoyed the State Visitations that I have done, with the friendly welcome, hospitality and great food. Thank you so much for welcoming me and the SWP Jim into your Aerie home.

It has been nice to see the Sisters who have traveled a distance for a visitation, I truly appreciate it, and I want to thank you! Fall Conference will be held in Yakima #289 the 1st weekend in October. The State Membership Team is working hard to present an educational conference, please try to attend and return home to your local Auxiliary with the information you will receive.

I want to give a shout-out to the Auxiliary Sisters who are working hard on membership. Washington State was #4 in August for having 245 applications reported.

In the top fifteen new leaders internationally were: #4 Orting Aux. 3480; #10 Gig Harbor Aux. 2809; #12 Buckley Aux. 1387; #15 Puyallup Aux. #2308.

August top five Washington Auxiliary producers were: 1st Place Kobi Aschim of Sedro Woolley and Cindy Inman of Granite Falls; 3rd Place Rita Kaufman of Orting and Edith Fowler of Cle Elum; 5th Place Cleo Lonnie Ritchie of Roslyn and Sandra Steinbock of Prosser. GREAT JOB SISTERS!!

Washington State is also placing in the top 25 for donations that are sent into the Grand Aerie. Alzheimer's & Neurological Fund and the Cancer Fund both at 3rd place. The Cancer Fund 2nd place. Thank You, to the State Auxiliary Sisters for all the hard work you do for our Charities and Membership.

Fraternally,
JoAnn Schultz State Madam President

FROM YOUR WASHINGTONGTON STATE AERIE OUTSIDE GUARD

Well, here it is October and I am not anywhere close to being ready for pre-winter. I did manage to get bug killer and fertilizer on the yard and one garden cleaned up but still have a roof on the chicken house to replace, two more gardens to winterize and I don't even want to know what the wife needs me to do. October is of course the month of the Eagle Fall Conference which this year is being held in Yakima on the 4th and 5th of the month. As I have said before this conference is membership oriented and many ideas and plans are shared about membership and how keep it working. There is also the Pacific Northwest Regional Conference which is a version of our fall conference but includes Alaska, B.C., Washington and Oregon and this year is held in Cranbrook, British Columbia on October 18th thru the 20th. Just for fun is the Grand Coulee October Fest on the 25th and 26th. That doesn't even take in all the Aerie and Auxiliary events planned throughout Washington State. No rest for the weary. If you have concerns or an interest in adding to your membership or learning more about the duties of Aerie and Auxiliary responsibilities the Fall Conference in Yakima is the place to be. On Saturday morning will be a joint opening with info about our State Presidents special projects plus an hour and one half joint Aerie and Auxiliary Local Officer training class. The afternoon session will focus on membership building and retention. Then of course will be the banquet Saturday evening (that will include the dog chain presentation) and a few Sunday morning classes. Yakima is centrally located in our state and is accessible from all around the state. Seriously consider taking a weekend and attend this vital fall meeting. In the past I have mentioned an Aerie that I have visited that has deserved special mention and this month I bring up an Aerie that has made my top ten before. A couple of weeks ago State Conductor Rick McBee and I were traveling to our District 8 meeting and stopped at Stevenson Aerie#1744 early Sunday morning. The parking lot had quite a few cars in it and being the nosey State Officers that we are we thought we would stop and see what was going on. When we walked in there were a number of Aerie members laying a new floor in the social room. If you haven't been to Stevenson in a while you need to take that trip up Highway #14 alongside the Columbia. The Brothers have done a beautiful job in remodeling their club and if you have never been there you owe it to yourself to visit if for nothing else to possibly pick up some ideas. While you are there don't miss a look out the windows. The view is priceless. As I attend different events around our state I observe who and what is happening. One of the things I have noticed is the participation of a whirlwind mother/daughter duo that never takes a break. These two Auxiliary members are involved in just about every aspect of Eagle events and the fun that goes with them. Chris and Windy Farley from Wenatchee #204 will take your breath away with the combined energy these two sisters have. When you see them in Yakima let them know just how much they are appreciated by both the Auxiliary and the Aerie. Time to close but before we go plan on attending at least one event that your Aerie is putting on this month. If your Aerie has nothing planned then now is your chance to step up and put on a special dinner or a charity bottle raffle. You don't have to be an officer to make a contributing difference to the welfare of your club. We will talk again next month and don't forget, YOUR State Officers, both Aerie and Auxiliary, are working hard to keep the light on the F.O.E. please support them.

Fred Brattain,
State Worthy Outside Guard.

WASHINGTON HOSPITALITY ROOM
2019 – JULY 8 THROUGH 11
GRAND CONVENTION PART THREE

Back at the Gault Hotel I went straight to the Washington Hospitality Room. After being told how much I was needed and how bad it was that I was gone for an hour or two, the ice was crushed and beer was refilled in the coolers, all seemed good. There was no bartending to do as there was three tending bar and the crowd was now on the light side. I snuck out a second time. There was a shuttle that went every half hour to the Jeffersonville Eagles. It was a black ten passenger van, and as was most cases the van was always overloaded. Being the fourteenth passenger, the squeeze was a bit much. The driver took us the long way to the club. So, over the new cable bridge went all of us. This was about five miles. What a busy club! It was full. There was karaoke, and a lot of socializing going on, so Bobby sat down and ordered a beer. To my great surprise there was no beer on tap, only bottle beer. After going down the list of all the beer on hand I got one that was made in Pennsylvania. It was good. There was a man and a lady that I asked if I could sit at their table. They said yes, and to sit down. After talking with them for about twenty minutes, to my surprise the lady was the sister of incoming Grand President Ron Malz. Now the conversation went on for about twenty more minutes. A second couple sat down. I liked them and the talk went to Dave Krogh. Being from Washington, I was in charge of the Washington Hospitality room and Dave was there when I had left. Now I had told them that the Washington Eagles pretty much took care of everything, and I was only a figurehead, but the man had been a judge in Indiana. There were stories of young men and women that he had helped turn their lives around. He had lost his wife about a year ago, and his new lady and himself had been dating about six months. This man to great shock had been a Grand Justice in the Grand Aerie. He had served for three years and retired from it the same as David Krogh. I have a picture of him and his lady friend. After more conversation Lady Diana called. She was mad because I had left the hospitality room and wanted to know where the hell I was. This was great news as the judge was wanting to dance and I was looking for a way out of the conversation. The shuttle bus was not around so I went back and sat down. There were a lot of single sisters in the bar. One about twenty-eight I would guess came over to the table and started flirting. She told me she lived nearby, that she had a good job, and she was wanting some company. I told her I was going to the bar and get a beer. I did so and went around the club as a tourist should. I went into the meeting room and looked around. The Jefferson Aerie is an old one. The transparencies are over one hundred years old. The Aerie was started in 1907, and real colorful. I looked back out of the room and that sister was still waiting. I went to the rotunda and looked out wanting the shuttle bus, but for not. I signed the guest book and tried to look busy. Finally, the shuttle came into view. I was on it in a flash. There was only two of us wanting to go back so the driver took us the short way to the hotel. To my utter surprise the sister was all so friendly and the ride to the hotel was less than a mile. As it turns out, one can almost see the Jeffersonville Aerie from the Washington Hospitality Room.

Getting back to the hospitality room was good. Yes, a license plate from the Jeffersonville aerie was in tow. All the sisters were mad at Bobby, but like I said they all ran the show. I had gotten everything I needed to and was now forbidden to leave the room. All went well after the hospitality room closed, it was about 10:30 PM.

The packing up was a nightmare. Mark was to take as much as he could the rest was to be left. Bill Stotko called the Jeffersonville Aerie, and they came and took all the booze that was open, so the liquor was not wasted. I was told to leave the rest. Leonard and Ellen Blakely took most of the food with them to their family get together, as they have family back there. Most of the rest I saved by shipping it home UPS. So, I saved most of the rest at a cost of about \$175.00, so I guess I will keep most of it, as it was to be dumped.

Bobby

William "Bill" Stotko Grand Aerie Outside Guard

Bill Stotko, Grand Worthy Inside Guard, joined the Fraternal Order of Eagles in September of 1977, joining the Monroe Eagles #2327 in Monroe Washington. He quickly became involved in the Fraternal side of the Fraternal order of Eagles, working his way through the Officer chairs of his home Aerie. Although Brother Bill was a Truck Driver by trade, he could always be depended on to step up when assistance was needed in maintaining his home Aerie.

Brother Bill became President of Monroe Aerie in 1997 – 1998 after working his way up through the chairs. Brother Bill has also held the position of Aerie President. Bill eventually had to transfer to Everett Aerie 13, in Everett Washington, following the closure of his home Aerie. Since his transfer to Everett Aerie #13, Brother Bill has the positions of Aerie President and Aerie Trustee as well as the Aerie Secretary. Brother Bill has held the position of Aerie Secretary, for 7 Eagles years in both the Monroe Eagles as well as the Everett Eagles. Currently, Brother Bill is once again filling the position of Aerie Secretary.

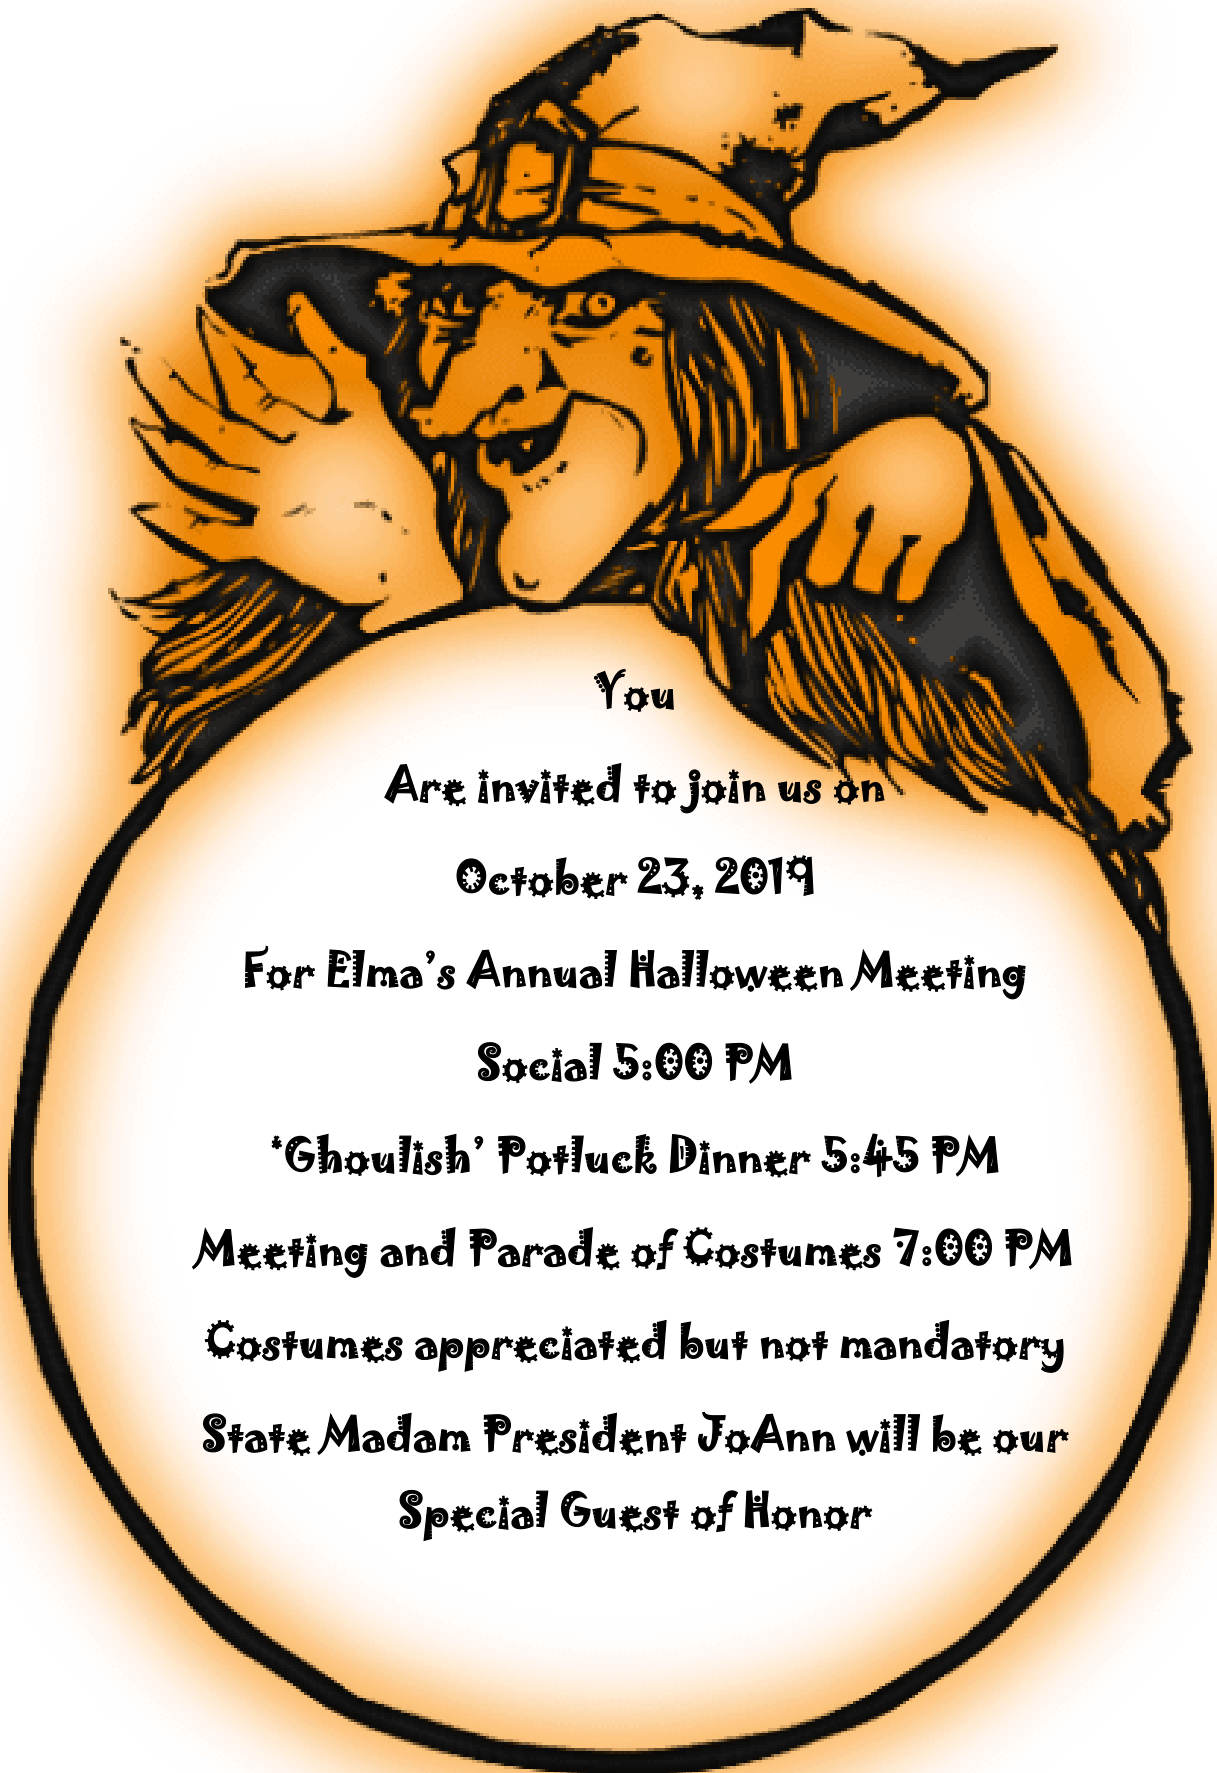

Brother Bill became the Washington State Aerie President during the 2010 – 2011 Eagle year after working his way up through the chairs beginning his journey at the Trustee level in 2001 - 2002. During this period, Brother Bill was also very involved in the initial development of the Washington State Aerie training program, being a part of the original group that put the training program together. Much of the training program was later adopted by the Grand Aerie in the development of the Grand Aerie Training program.

Brother Bill was selected from among all the Past State Presidents of Washington State to be the Pacific Northwest Regional President for the Eagle year 2018 – 2019.

During this same period of time, Brother Bill has also been very active in working with Aeries in difficulty throughout the United States. Brother Bill's knowledge of the Grand Aerie Statutes as well as his respect for members rights, has given him the ability, working with these distressed Eagle Aeries and Auxiliaries, to bring them back into full compliance with our order.

Brother Bill has filled the position of Grand Aerie Elections Chairman for the last several years, being instrument in converting the election counting process into an electronic process that is able to tabulate the election count and provide results in hours rather than the days that it used to take. This same process was later adopted by the Grand Auxiliary as well.

Brother Bill and his wife Carey have been married for 33 years and have three children, Philip, Patricia, and Theresa. Additionally, Brother Bill and Sister Carey have seven Grand Children.
