## **FROM YOUR WASHINMGTON STATE AERIE OUTSIDE GUARD**

Here we are brothers and sisters, right on the edge of November and if you are like me you are scratching your head and wondering what happened to fall. I was getting used to those Indian Summers with little to no rain and the temperatures in the high sixties. This year it seemed to go from 80 to 60 and lots of rain, wind and pretty impressive electrical storms. October was a busy month for Eagle events beginning with Fall Conference in Yakima, a trip to B.C. for PNWR in the middle of the month and finishing up in Grand Coulee for Oktoberfest and along the way held about 10 State Presidents visits. There are a number of events coming up and I encourage all to check the state calendar for an event near you. For those interested we will be holding an officer training class for the Aeries in Port Orchard on the 23<sup>rd</sup> of the month. This class touches all the aerie positions and the duties and responsibilities of each office rather than focus on one or two positions. These classes usually take about 1 and a half hour. If you can, bring your aerie officers and meet us there. There is always something to learn that will benefit your Aerie. On the way to Fall Conference our State Auxiliary Madam Chaplain, JoAnna Anderson, “the Quiet One”, brought up an idea for a separate section for the news letter. We approached the esteemed editor Leonard Blakely and he liked it so we are putting together a section called (maybe) “Whatever happened to what’s his or her name?” The idea behind this is to have a monthly article about an Eagle or Eagles that we may have lost contact with. This is where you come in. We are asking you to provide us with information about someone you know who has been involved with the Eagles but we don’t see much anymore. We are asking you to contact either Leonard at [blakely2308@live.com](mailto:blakely2308@live.com) or me at [phastphreddy@peoplepc.com](mailto:phastphreddy@peoplepc.com) with their names and if possible a contact number. We will not publish any names, numbers or addresses until we contact the afore mentioned individuals. Once we have permission we will include a bio of what they are doing now and possibly a way to send them a card just to say hi. If you like this idea please send us your info on “Old what’s their name” and we will follow up. If you would be interested in being one of those folks, don’t hesitate to contact us. I am sure there are many brothers and sisters that would love to touch base with those old acquaintances that we have lost touch with. Ok, time to attend to my assigned household chores so will close with a wish for a bountiful Thanksgiving with your families and an urge to attend your Aerie, Auxiliary and District meetings this month. If you have taken the time to read the newsletter you are one of those Eagles who care and can make a difference. Thank you for that. Remember, your State officers are working to keep the light on the F.O.E. Support them in those endeavors. Thanks for taking the time to read the newsletter. I remain

Fred Brattain, Washington State Outside Guard.

## GETTING HOME FROM GRAND CONVENTION PART FOUR

At 6:AM it was packing up because the plane was leaving at 9:00 AM. After delivering the cooler full of the leftover Hospitality Room stuff to the UPS Store it was 7:00 AM. Their office was just open at that time. I got the bellboy to take all our bags to the car across the street, and into the parking garage. As I rolled out of the parking garage and picked up Lady Diana, it was now 7:30 AM and that Jaguar was sure nice to sit in. Lady Diana had to use that GPS on her phone as I went the wrong way on the freeway first and had to compensate with her help. I got a little ribbing for that. That nice Jag got dropped off with only a half tank of gas as time prevented us from gassing up. Now it was about 8:30 and it was hurry to the check in. We found out the plane didn't leave until 10 AM. Diana wanted coffee and I needed something to eat. Diana found a Starbucks I found a Chili's and they had a nice breakfast. I was just finishing up breakfast when Diana showed up, so I shared the rest. Hurrying to board the plane was hard on Diana.

The plane was small and full. In an hour and a half, the two of us were in Detroit. There Diana got a wheelchair. Thank God she did. It was over a mile to the next plane, up and down elevators through a tunnel and a train ride. She had a young man pushing her through the maze and thank goodness he knew where to go. He parked us at the gate and Diana was hungry, so she found a Popeye's and got some nuggets. Myself I am not a chicken man, but she shared, and the chicken was not too bad. We had about a two hour wait for the next plane.

This was a big plane and we were in first class. We boarded first and the good stuff was bestowed on us. A wonderful lunch and every half hour there were drinks, almonds, chips and tea. There were seats that had TV monitors, with movies if you wanted. You could watch on the monitor the whole plane ride and monitor the flight west. This flight was three and a half hours. Going into the future is never easy. It was like five in the afternoon as the plane landed in Seattle. Diana had a hard time walking the ramp off the plane. She was given a wheelchair and a driver. That made it a lot easier on both of us. There was a little wait for the shuttle. Diana called the hotel and the car was waiting for us, thank God. Both of us were tired. After loading up the bags and suitcases it was good to be in my own car. It didn't take long and we were in Cle Elum. Both of us were hungry. Burger King was the place to go, as it would be dark when arriving in Wenatchee. Yes, it was getting dark as we drove up to our house. My dog Herman was there to greet us at the gate. He was okay. Diana had to District Meeting the next day, and she was worn out. I on the other hand got to rest. I needed it. Diana went from one nightmare to another. She had a few things to straighten out at the office. She was a physical wreck and I was a mental wreck. This was a long and tiring trip for us both. Both of us still talk to each other and Herman is happy. Thank God!

It would take a week to recover for Bobby, and I am betting Diana took at least two weeks physically to recover. Brothers and sisters, I will bet that everybody that went had some recovery time to deal with. Yet it was a great time for all in my opinion. Next year I won't be in charge, and the next State Chaplain only has to deal with the room in Spokane, WA, and I know all of you will attend. Right! I for one am looking forward to it. Seeing all of you there would make a dream come true. Think about all the Washington Brothers and Sisters being there. What a great show it would be.

Bobby

PS: Check out all the photos I brought back. I will have them at most of our large meetings.

# Ragged Old Flag

Johnny Cash

I walked through a county courthouse square  
On a park bench an old man was sitting there  
I said, your old courthouse is kinda run down  
He said, naw, it'll do for our little town  
I said, your old flagpole has leaned a little bit  
And that's a ragged old flag you got hanging on it  
He said, have a seat, and I sat down  
Is this the first time you've been to our little town?  
I said, I think it is  
He said, I don't like to brag  
But we're kinda proud of that ragged old flag  
You see, we got a little hole in that flag there when  
Washington took it across the Delaware  
And it got powder-burned the night Francis Scott Key  
Sat watching it writing say can you see  
And it got a bad rip in New Orleans  
With Packinham and Jackson tuggin' at its seams  
And it almost fell at the Alamo  
Beside the texas flag, but she waved on though  
She got cut with a sword at Chancellorsville  
And she got cut again at Shiloh Hill  
There was Robert E. Lee, Beauregard, and Bragg  
And the south wind blew hard on that ragged old flag  
On Flanders field in World War one  
She got a big hole from a Bertha gun  
She turned blood red in World War Two  
She hung limp and low a time or two  
She was in Korea and Vietnam  
She went where she was sent by Uncle Sam  
She waved from our ships upon the Briny foam  
And now they've about quit waving her back here at home  
In her own good land here she's been abused  
She's been burned, dishonored, denied, and refused  
And the government for which she stands  
Is scandalized throughout the land  
And she's getting threadbare and wearing thin  
But she's in good shape for the shape she's in  
'Cause she's been through the fire before  
And I believe she can take a whole lot more  
So we raise her up every morning  
We take her down every night  
We don't let her touch the ground and we fold her up right  
On second thought, I do like to brag  
'Cause I'm mighty proud of that ragged old flag

Hello Brothers and Sisters –

As most of you know, Washington State has the honor of hosting the 2020 Grand Convention being held July 20-23, 2020 in Spokane, Washington. We will be seeing many of our wonderful Brothers and Sisters from throughout the United States and Canada. Grand Worthy President Ron Maltz and Grand Madam President Gloria Williams, and their committees, are planning a very successful convention for us.

With the convention being in our home state, we are expecting a lot of Washington members to be in attendance at this convention. All Eagle members are invited to attend. If you are a past president or 10 year secretary, you can register as a delegate. If you have not yet reached that goal, you can register as a guest. The differences between the two, delegates have voting rights.

With that, we also want to tell you that Washington does run a hospitality room at the Grand convention. It is a time for Brothers and Sisters to come in and enjoy each other's company with a drink or two and possibly get a bite to eat.

Our theme this year is "Washington Proud" with decorations to represent all the things that make us Washington citizens so proud to live here. Ideas for those decorations are gladly accepted. Looking for anything that says "Washington", such as our wonderful mountains, rivers, beaches, fish and wildlife, space needle, apples, wine etc. as well as a pennant for each of our Washington teams (Mariners, Sounders, Seahawks, UW Huskies, WSU Cougars, Gonzaga Bulldogs etc.)

To help with the cost, we are asking you to plan some sort of fund raiser or two and submit the proceeds to help with the cost of the hospitality room. With us expecting a large quantity of Washington members, we need more supplies than most past conventions and we would really appreciate your help.

Please send any donations to FOE WA State Past Presidents Association, Attn; Secretary Bill Walton at 1828 Methow St, Wenatchee WA 98801-9420. Don't forget to put Grand Hospitality Room donation on the "for" line. Thank you for any and all help you are able to give.

Faternally,

Rich Kennedy  
2020 WA State Grand Convention  
Hospitality Room Co-Chairman

JoAnna Anderson

Hospitality Room Co-Chairman

### **William “Bill” Stotko Grand Aerie Outside Guard**

Bill Stotko, Grand Worthy Inside Guard, joined the Fraternal Order of Eagles in September of 1977, joining the Monroe Eagles #2327 in Monroe Washington. He quickly became involved in the Fraternal side of the Fraternal order of Eagles, working his way through the Officer chairs of his home Aerie. Although Brother Bill was a Truck Driver by trade, he could always be depended on to step up when assistance was needed in maintaining his home Aerie.

Brother Bill became President of Monroe Aerie in 1997 – 1998 after working his way up through the chairs. Brother Bill has also held the position of Aerie President. Bill eventually had to transfer to Everett Aerie 13, in Everett Washington, following the closure of his home Aerie. Since his transfer to Everett Aerie #13, Brother Bill has the positions of Aerie President and Aerie Trustee as well as the Aerie Secretary. Brother Bill has held the position of Aerie Secretary, for 7 Eagles years in both the Monroe Eagles as well as the Everett Eagles. Currently, Brother Bill is once again filling the position of Aerie Secretary.

Brother Bill became the Washington State Aerie President during the 2010 – 2011 Eagle year after working his way up through the chairs beginning his journey at the Trustee level in 2001 - 2002. During this period, Brother Bill was also very involved in the initial development of the Washington State Aerie training program, being a part of the original group that put the training program together. Much of the training program was later adopted by the Grand Aerie in the development of the Grand Aerie Training program.

Brother Bill was selected from among all the Past State Presidents of Washington State to be the Pacific Northwest Regional President for the Eagle year 2018 – 2019.

During this same period of time, Brother Bill has also been very active in working with Aeries in difficulty throughout the United States. Brother Bill's knowledge of the Grand Aerie Statutes as well as his respect for members rights, has given him the ability, working with these distressed Eagle Aeries and Auxiliaries, to bring them back into full compliance with our order.

Brother Bill has filled the position of Grand Aerie Elections Chairman for the last several years, being instrument in converting the election counting process into an electronic process that is able to tabulate the election count and provide results in hours rather than the days that it used to take. This same process was later adopted by the Grand Auxiliary as well.

Brother Bill and his wife Carey have been married for 33 years and have three children, Philip, Patricia, and Theresa. Additionally, Brother Bill and Sister Carey have seven Grand Children.
