Vol 2 Issue 1

July 2025

Welcome to the E-News!

If you know any Brother of Sister who would like to receive the E-News, please send us their email!

If you have something of interest you would like posted, please send it to:

wa.state.foe.eneews@gmail.com

Deadline will be the 25th of each month.

Editor, Dave Andrews

Membership News

I am happy to report that BOTH the Aerie and Auxiliary were

NET GAIN

For the 2024-25 Eagle Year!

Thank you to all who helped keep our organization growing!

As of June 16th, there are 39628 Aerie and 18309 Auxiliary Members in the State of Washington.

Now the sobering News:

JULY 18th will be "THE BIG DROP"

When the Grand Aerie automatically drops and delinquent members!

Currently there are over 11,000 Aerie members who have not paid their dues, that's 28% of our membership! Net Gain Starts NOW with Retention!

From Jr Past State Worthy President Dave

Well, as State Officers, we are always told that "it goes fast!" and it seems like just yesterday I was a nervous, first year State Trustee! And now my year as State President has come to an end. The Convention was an amazing experience, and, for me, went by in the blink of an eye. There seemed to only be a few minutes of down time between meetings, luncheons, more meetings, the Banquet, traveling back and forth to the Aerie and eventually, sleep. (And avoid an giant purple hippo in the hallway! What was that about?!?)

The Banquet was a great event, with your Washington State Brothers and Sisters giving out over \$185,000 in grants and donations that night! In addition, Washington donated over \$166,000 to the Grand Aerie Charity Foundation. We donated over \$35000 to Fred Hutch this year and over \$18000 to the Children's Therapy Unit at Good Samaritan Hospital. This does not even include all of the money given locally that never seems to be reported at Convention. We truly live up to our Motto of "People Helping People." The Membership Luncheon Wednesday saw increased participation as we are trying to get more Aerie Brothers involved as we recognize the top producers in Membership. Look for the final Aerie numbers later in the issue. I would like to thank the Brothers who came to convention and especially those Chairmen who gave reports and those who stepped up and gave reports for those who could not attend.

For the first time in many years we had Aerie Ritual competition at Convention. We had three teams compete in three separate categories. Puyallup competed in 'B' and 'B-2' and the Washington State team competed in 'B-3.' Though there were some 'growing pains,' I would like to commend those who competed and pushed to bring Ritual back to the Convention.

While Convention attendance increased over last year, we still have work to do as nearly half of the Aeries in the State of Washington did not send representatives to the Convention.

Finally, I would like to wish State Worthy President Fred Brattain the best of luck on his upcoming year! Remember, it goes fast so take time to enjoy the moments (and take notes on the way, so you can thank people later!) To our returning State Officers and the three newest ones, I would like to thank you for stepping up to represent the Washington State F.O.E. and I will always try to help any of you on your journey through the State chairs.

Jr Past State Worthy President Dave Andrews.

From State Worthy President Fred Brattain

Greetings Brothers and Sisters and welcome to the first of my 21st Century version of a "Fireside Chat". First off allow me to introduce myself. I am Fred Brattain and a member of Castle Rock #556 and have the great honor and privilege of serving as your Washington State Aerie Worthy President for 2025-2026. This is not a position that I will take lightly. I am extremely proud to be part of the F.O.E. and represent the greatness of what it stands for. It is my hope that during the year I will be able to meet, listen to and work with you to accomplish the goals that we all pursue as members of this organization. It is stated in our State Officer Handbook that after paying the dues, moving thru the chairs and honing our skills at leadership it is now time to enjoy the top and relax. I am all for that, but I believe now is the time to lead and I cannot lead until I know the direction that you the membership wish to go. I intend to be available to all as much as possible to address your concerns, thoughts on where we go from here and how do we, as a group, accomplish our goals. My e-mail address is <mailto:phastphreddy@peoplepc.com>. If you have a concern or an idea, please touch base with me. I can't guarantee I will get back to you immediately, but I will get back to you. The Washington State executive board of State Officers are qualified to deal with just about any item that may come up and we are prepared to find the best solution. Do not hesitate to utilize this tool. As I travel around the state I hope to meet as many of you the members as possible. We will host a visit by Grand Aerie Worthy President Dave Wooster to our state in August. He will first visit Deer Park #3564 on August 7th then travel down to Walla Walla #26 on the 8th then to Clarkston #3936 on the 9th of August for a jet boat trip up the Snake River. He then will travel to the west side and visit Wilkeson #1409 on the 11th then Castle Rock #556 on the 12th then Seattle #1 on August 13th then travel to Oregon. If you can get the chance to make one of those visits, please do so and show our Grand Aerie President what Washington Pride is all about. I am excited about this coming year and hope to meet your expectations. Brother Dave Andrews (our Jr. Past President) set the bar high and did a great job in his year and with your help we can meet and maybe surpass that in our coming year. Just to touch on my charities I have chosen the Northwest Autism Center in Spokane and as my special project I have chosen the Lewis County Drug Court. More on that later. Our membership chairman this year is Past State President Jack Anderson, and our theme is "Camping with Fred" and again more on that when I light the fire next month. Until then thank you for doing what you do to make the F.O.E. the proudest fraternal organization in the world.

Fraternally Fred Brattain, Washington State Worthy President.

*Does NOT include Duals, Applicants or Re-Applicants

Most Awards were given out at Convention, with some being taken back for delivery for those who were not in attendance. All Aerie Awards were claimed, though there are still some individual (Top 25) Awards that will be delivered over the next few weeks. All Net Gain Aeries will receive certificates, those not claimed in Yakima will be mailed.
