

5 SENSES GAME

Уметь наблюдать и анализировать – очень важный навык. Но всегда можно совместить приятное с полезным и поиграть в **five senses game**. Она особенно интересна летом на прогулке, но можно играть круглый год в различных помещениях или даже дома с собственными детьми.

Игроки по очереди крутят стрелку, бросают кубик или берут карточку (кому какой вид больше нравится), смотрят вокруг и отвечают на вопрос: *What can you see/hear/touch/taste or smell in this room/park (or wherever you are)?*

После того, как юные исследователи проанализировали несколько вещей на предмет 5 чувств, можно поменять локацию, перейдя в другую комнату или выйдя на улицу.

You can print 4,8 or 16 cards per page by changing the appropriate settings.

In printer dialog box select the number “pages per sheet” you want, depending on the size you want your cards to be.

To print 4 cards per page, select 2 pages per sheet. You can select 4 for smaller cards, or 6 or 9 etc. The higher the number, the smaller the cards will print because you will have more on each page.
