We know that your child's interests change quickly, but we would love to try and incorporate some of their favorite things in our class!

What is your child's name (first and last)?

What is your child's favorite color?

What is your child's favorite T.V. show, cartoon character, or movie?

What/who is your child's favorite song or musical artist?

What is something else your child loves?

What is your child's favorite game or sport?

What is something that would get your child excited about learning?

Thank you for helping make school so much fun!
