

Harbordale Civic Association Meeting September 10, 2025

Is it time for sidewalks on SE 15th Street and what does that mean for the residential parking spaces?

The City of Fort Lauderdale is exploring ways to improve pedestrian safety along SE 15 Street, east of Cordova Road. As part of this effort, the City is looking at whether a sidewalk or pedestrian path can fit in the space available. Residents will have a chance to look at possible improvements and share their feedback at upcoming public meetings.

IN THE MEANTIME AVOID PARKING IN THE TRAVEL LANE

Please make sure your vehicle is parked completely off the street. Parking that extends into the roadway creates safety risks for pedestrians and drivers and may be subject to citations and fines.

LEARN MORE AND STAY UPDATED

Scan the QR code or visit ftcity.info/SE15THST for project updates and meeting information.

If you have any questions, please call Customer Service at 954-828-8000

If you would like this publication in an alternate format, please call (954) 828-4755 or email strategiccommunications@fortlauderdale.gov.

Our guest will be Milos Majstorovic, Director of the Fort Lauderdale Transportation and Mobility Department presenting a consultant study "Pedestrian Path/Sidewalk Feasibility Study on SE 15 Street Cordova Road to Fisheries"

There will be an additional public meeting on
September 30, 2025

CITY OF FORT LAUDERDALE

HELP MAKE SE 15 STREET MORE WALKABLE

PUBLIC MEETING

Tuesday, September 30 | 6:00 p.m.

Join us virtually or in person

The next phase of SE 15th Street
sewer project will affect the
intersection of SE 15th Street and
SE 10th Avenue.

Our best will be Brent Campbell, Garth Solutions,
with an update

NOTICE OF SEWER SYSTEM IMPROVEMENTS

The City of Fort Lauderdale is working with Lanzo Construction Co. to make improvements to the City's sewer system along SE 10th Avenue between SE 15th Street and SE 18th Court in Harbordale. Crews will be using a process called cured-in-place pipe (CIPP) lining, which is a trenchless method to rehabilitate underground sewer lines and extend their longevity while minimizing excavation and disruption.

WHAT

This work includes:

- Cured-in-place pipe (CIPP) lining of approximately 1,300 feet of sewer lines.
- Restoring the roadway, sidewalks and landscaping as needed.

WHERE

Construction will occur along SE 10th Avenue between SE 15th Street and SE 18th Court.

WHEN

Construction will begin on **Monday, August 25, 2025**, and is expected to be completed by **late December 2025**. Work will take place **Monday through Friday between 7 a.m. and 7 p.m.** This schedule is subject to change based on inclement weather or other unforeseen circumstances.

TRAFFIC IMPACT

- SE 10th Avenue will be closed in both directions from SE 15th Street to SE 16th Street, including the intersections of SE 15th Street and SE 16th Street, throughout construction. Traffic will be detoured to Miami Road, Cordova Road and SE 17th Street.
- One lane in each direction of SE 10th Avenue between SE 17th Street and SE 18th Court will be closed throughout construction.
- The right shoulder along southbound SE 10th Avenue between SE 16th Court and SE 17th Street will be closed throughout construction.
- Traffic control personnel will direct traffic as needed.
- Please follow the posted signs and drive with caution in the area.

We sincerely appreciate your patience and understanding as we complete this important infrastructure improvement. Neighbors with questions or concerns may contact the project hotline listed below.

Agenda September 10, 7:00 PM

Meet and Greet at 6:30. Meeting starts promptly at 7:00 pm in the Police Sub Station in Harbor Shops, 1815 Cordova Road Suite B207. Take the elevator to the 2nd floor. This is a virtual hybrid meeting. Find the Zoom Link in Harbordale News
