### **F3 Marina Request for a Variance**

By code, signs are not allowed on a building if they do not face a public right of way or travel way. The owners of F3 Marina are requesting a hardship variance to allow them to put a sign on the top of the east side of their building. The Board of Adjustment hearing on their application was deferred to February 14.

**WARREN STURMAN**

FORT LAUDERDALE COMMISSIONER, DISTRICT 4

**Dear Friends and Neighbors,**

We are looking forward to the New Year!

Please join us for the first Townhall meetings for 2024!

Each January, the City Commission sets its priorities for the upcoming year. These priorities are then voted on at a future commission meeting. As these priorities have major influence over the city's budget, I am asking you to please get involved.

On January 10, at 7pm at the Embassy Suites, I will be hosting a District Townhall Meeting to gather feedback from the community. What priorities would you like me to advocate on your behalf?

Wishing you health and happiness,

**Dr. Warren Sturman**
