

How About Some Good News

Sometimes Public Input Gets The Job Done

Just in from Darci Mayer, Project Manager for the Cordova Road Complete Streets Project

Good Afternoon Barbara, Ed, Marilyn and Christina,

Thank you to you and your residents for bringing attention to the constraints the roundabout will cause at the Cordova/SE 15th Street intersection. FDOT has agreed to remove the roundabout from the design, and is in the process of exploring other designs for the intersection. Once the plans have been finalized, I will share. I also wanted to inform you that FDOT will be conducting a virtual design open house for the project towards the end of August. I will forward the details once available.

Regards,

Let's support our local business and restaurants like the Southport Raw Bar

Southport Raw Bar is Open

Southport Raw Bar is open for business and recently started serving Breakfast. Owner Buddy and his long time staff are taking every precaution to keep you safe and bring you back.

I can personally tell you that Mike's Bimini Bread French Toast set back my diet but made me very happy!

People are socially distancing and wearing masks

Social Distancing is being facilitated by limiting capacity indoors and outdoors

Dedicated staff are constantly cleaning surfaces, doors and tables.

Tables are sanitized after each use

If you know a local business that is doing a good job, take some photos, send them to us and we'll pass them on
