

Harbordale News

Our last in person meeting was March 1. It is not likely that "Stay at Home" will end by May 6. Even then people may hesitate to go to meetings right away. We are planning a Zoom General Membership Meeting for May 6. Our guests will be Commissioner Ben Sorensen, David Mancini, City Contractor and Alan Cohen Assistant County Administrator, a perfect trifecta of people with information you need to know. This is the new format for your Harbordale News. It is more mobil friendly and we hope you find it easier to read. Agendas and additional information will be posted to our website.
