## BCCS Night of the Stars on April 15th

Join us for this big night of celebration and fun on our campus as we feature our students' yearlong portfolios of artistic creations. Our PTO will be hosting a "Fun"-Raiser Auction including many great gifts and donations. We will be welcoming several local vendors as they share their creations and are generously donating part of their proceeds to our school. There will be lots of fun food and entertainment for our families. The night will end with The BCCS Talent Show showcasing so many of our talented Blazers. It's been a long time since we have enjoyed being together on our campus.

Please come be a part of this night of celebrating our Blazers.
