

## ***What is a School-Parent Compact?***

Our annual school-parent compact is an agreement between parents, students, and the school that offers ways we can all work together to help our students succeed.

This compact:

- Shares strategies for staff, parents and students.
- Links strategies/activities to the school's academic achievement goals.
- Focuses on student learning.
- Explains how parents and teachers will communicate student progress.
- Identifies opportunities for parents to be involved in school activities.

## ***Jointly Developed***

The parents, students, and staff shared ideas and worked together to develop the school-parent compact. The teachers suggested home learning strategies, parents provided valuable feedback on their needs to help their child, and students told us what would help them learn. Meetings are held each year to review and revise the compact based on the school's goals and students' needs.

Parents are welcomed to provide feedback on the compact at any time. If you would like to give feedback you may attend any of the advertised school improvement parent-input meetings or email your comments to:

## ***Teachers, Parents, and Students—Together for Success***

### ***Teacher/School Responsibilities:***

Communicate regularly with parents through methods such as newsletters, ClassDOJO, Webpages, emails, or phone calls.

Provide specific and timely feedback on work and offer opportunities for remediation/reassessment.

Build time into instruction for goal setting, self-assessment, reflection, and progress tracking

Assign meaningful homework that will help parents engage students.

Offer opportunities to build skills in parents to help children such as parent workshops, tip sheets, list of online resources.

### ***Parent/Family Responsibilities***

Communicate directly with the school and teachers; read all communication from school.

Attend Parent-Teacher Conferences and curriculum nights to keep abreast of child's progress.

Engage in child's learning by asking questions about child's progress. If child is not meeting targets, take measures to help the child meet expectations or prepare for reassessment.

Engage in homework or home projects with child.

Attend school events offered to engage or assist parents in child's learning.

VOLUNTEER at school.

### ***Student Responsibilities***

- Commit to good attendance and being on time.
- Set academic goals and self-assess to track progress.
- Complete all assignments and ask questions.
- Respect everyone including teachers, administrators, students, and our school.
