Therefore, the Superintendent and/or Governing Board reserve the right to refuse response to any grievances submitted more than thirty (30) days after the incident occurred absent exigent circumstances.
3. Written notice should be complete, as brief as possible, and simply stated, including:
 - a. Summary of Facts
 - b. Identification of parties and witnesses
 - c. Specific identification of the policy, practice, or statute violated.
 - d. Statement of requested relief
4. The Direct Supervisor will provide a written response to the dispute within 5 school days.
 - a. The response will include a notice of the right to appeal the decision of the Direct Supervisor, to the Superintendent
5. If the staff member does not agree with the decision of the Direct Supervisor, an appeal may be filed with the Superintendent
6. The Superintendent will provide a written response to the appeal within 5 school days.
 - a. The response will include a notice of the right to appeal his/her decision to the Governing Board.
7. If the Staff Member does not agree with the decision of the Superintendent, an appeal may be filed with the Governing Board.
8. Within thirty working days of receipt of the appeal of the Superintendent, the Superintendent will present the matter to the Governing Board at its regular meeting or at a special meeting called for that purpose. The Board will review the original complaint, the response of the Direct Supervisor, the response of the Superintendent, and the response of the complainant. In addition, the Board may, but is not required to, hear directly from any individuals with knowledge of any relevant facts relating to the complaint.
9. The Governing Board will review the complaint applying the clear/convincing evidence standard and either uphold the recommendation of the Superintendent or require the school to take some other action in response to the complaint.

a. A copy of the action of the Board will be furnished to the complainant, either as a part of the minutes of the Governing Board or as a separate written statement.

b. The Board will be the final reviewing authority.

Appeals: The Principal and/or Superintendent are required to provide evidence and seek approval of the Board for an employee's termination or disciplinary action that results in a loss of wages. Therefore, the Board will only accept appeal request for termination or disciplinary action of an employee if the employee alleges a violation.
