Q tips
cheap paint brushes- for
kids

Rocks- *at certain times you may want to add extra weight inside your container to obtain great stability. Dollar Tree offers small bags of rocks easy to store and in a mesh bag. Keep the bag for use with your needlepoint. Save those plastic bags from the newspaper and you will always have them on hand to put these rocks in.*

**Oasis Wet Floral
Foam Brick**

Store unused wet Oasis in a baggie

Cheap Hair Spray- spray on your
dried plant materials collected

Decorative Wood- To store and travel with the wood wrap in Bubble Wrap to protect from breakage and

Brown Shoe Polish- use on decorative wood for effect or to smooth over exposed areas.

Publix gives a **Floral bouquet bag** without a hole in the bottom...great to organize some of your dry floral materials. *Note: when bundling your dry materials together use a twist tie, rubber bands lose their texture and become dried out over time.*
