

A Huge Thank You to all of our New Port Richey Quilt Show *Business Ambassadors*

This year we established a new “Ambassador” program to support NPR businesses and to promote our incredible Quilt Show & Guild activities! Participating businesses have been designated as our “Quilt Show Ambassadors.”

For the month prior to our Quilt Show, these businesses allowed the West Pasco Quilt Guild to display a small quilt in their business. A laminated sign accompanied the small quilt acknowledging the business’s support of our Quilt Show.

Please support all of these local Business Ambassadors!
