President's Message

Happy December,

What a year this has been. We are on the last month of 2025 and with all its twists and turns, it has been nothing less than memorable. I hope it has been a blessed year full of learning and wonderful friends to keep you sane!

Our guild has renewed energy as we move toward our 2026 Quilt Show. This month brings lists of projects to finish, fine tuning to all the committees involved and much anticipation to see how it all falls together. Our show chairs, Susanna Brannon, Pam King, and Rhonda Koning, are doing exceptional planning to reach new heights for our 2026 show. As president I have the privilege to see some of the behind-the-scenes activities, meetings and connections that go into making it all amazing. As a member, you are a part of each step of the way so pick up your torch and do your part by volunteering and participating in this great event. Remember, the proceeds from our show provide us with the funds needed to support our community through our donations, scholarships, and purchase of supplies needed to make HUNDREDS of quilts for children and adults in Pasco County and throughout our state. YOU make a difference!!!

This month's newsletter is filled with information on what is happening this month and in 2026. Get involved with a small group (check out our new flyer), donate a Tuesday evening with Cheryl Fausak and the youth program, create a basket for our monthly membership meeting drawing, make a block or quilt for our Quilt of Valor outreach, pick up a kit for our baby boutique, the list of how to get involved in our guild is endless. My suggestion is to find a quilt buddy, or two, or three...and do projects together. It's so much fun to share our love of quilting. Going to a quilt shop? Pick up the phone and connect with another member to see if they would like to come along. Put yourself out there and you will be rewarded. We are all busy so let's choose what our busy will be!

The holiday season brings emotions to an ebb. Some good, some not so good. Please be considerate of one another, and yourselves. Take time to reflect on what is meaningful to you. One of our members mentioned that last year she selected a word to ponder and work on for 2025. She challenged herself to incorporate it into her daily life through her attitude, her interaction with people, how she looked at situations, and how she treated herself and others. What would you like to see more of, or less of, in yourself this coming year? To be more positive? Put yourself out there? Approach situations with more gratitude, or kindness, or interest? Be able to say no, or yes? We are ALWAYS changing but this challenges us to select how we change. Sounds like a 2026 challenge to me!

To each of you, I wish you peace and joy this holiday season. May you be blessed with family and friends to share your good times, your trials, and your successes! Your friendships touch me deeply and are cherished.

Happy Holidays and a Quilty New Year!

MEMBERSHIP

One hundred fifteen of us signed in for our November meeting. We were joined by one new member, Leslie Stella, and at least two guests. We were treated to a trunk show by Ann Troutman, a certified Judy Niemeyer instructor.

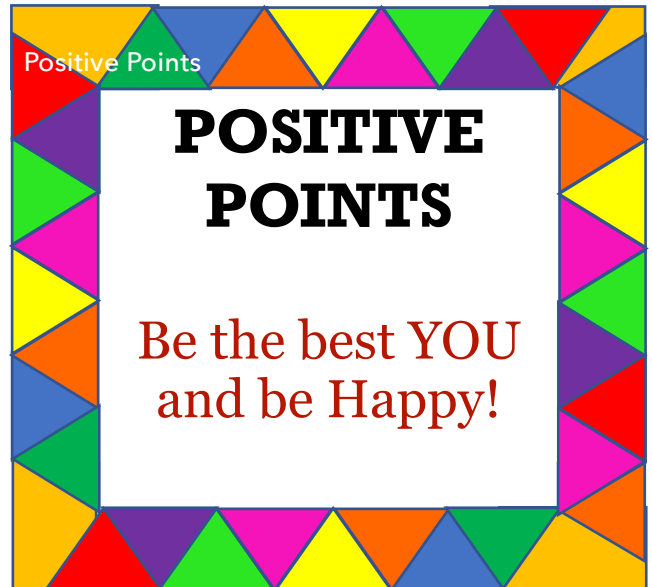

For those of you that don't know, Judy Niemeyer's quilts use paper piecing and feature circles and very precise points. I have done paper piecing in the past, (for projects that only involve one block) and it not only takes me all day, but I usually take it apart three times. So I thought I'd take the class and find out what the secrets are.

The first thing you need to know is that Ann Troutman is a wonderful teacher and has devoted a lot of time to learning Judy's techniques. She conducts the class at a pace that even I can keep up with as well as being cheerful and encouraging. She also keeps an eye on those of us who struggle and she can help you fix even the dumbest mistakes without taking everything apart. Don't ask, it was really dumb.

So, the secrets? It starts with cutting the fabric. None of this "get a piece of fabric bigger than the space you're going to cover" business. It's "for this section you're going to cut this fabric this way". Then you trim the pieces just so. I swear I cut off triangles that were an eighth of an inch high. Then you assemble the sections in this order and iron the seams in this direction. The instructions for a wall hanging are twelve pages long. And last, but not least, are a couple of tools that I'm going to acquire before I finish this project, a fabric glue pen and a starch pen. They make a lot of precision sewing much easier.

And finally, the highest praise I can give any class, my StarBaby wall hanging is not going to become a UFO.

Membership Chairperson Extraordinaire

Happy 2026 American's Garden Of Quilts Show
And Happy 2027 QUILTER ESCAPE RETREAT

As with all special exciting events, the planning began the day of the last retreat with setting the date for **Thursday, February 4 through Sunday, February 7, 2027**. As agreed by the members earlier this year, we have accepted Lake Yales additional fee of \$250.00 for the checking in at 1:00 pm on Thursday.

The February 2026 Newsletter will be filled with all the details.

Registration will take place at 9:00 am at our general meeting scheduled for March 19, 2026!!

“OH HAPPY DAY”

Starting in February Kathy Robertson has agreed to help in the Library. This will free me up to finish clearing out the older books to sell to the membership. We will also revamp the way we shelve the books to make them easier to locate. The goals for 2026!

We still need someone to help Kathy Risoldi in the sales and donation area.

The Library will be closed for the Holiday party, please hold returns & donations until January meeting.

Sew Much Fun

The Sew Much Fun group (SMF) had a wonderful time in Crystal River shopping at Beyond the Stitches, having lunch at Cracker's Grille and topping it off with dessert at the Dockside Ice Cream Shoppe at Kings Bay. The owner and staff of the quilt shop were so friendly and they had a nice selection of fabric. We notified them in advance that the group was coming and they gave us a 20% discount.

Thanks to Avis Merritt for the update on SMF. Contact Kathy Robertson to share news about your small group.

EDUCATION

Ann Troutman's Star Baby Class was eye opening and fun. I was quite skeptical about paper piecing but I am not anymore. FYI Judy Neimeyer's pattern instructions are quite intimidating so doing a workshop with a certified teacher makes it much easier. Ann is very willing to teach another workshop if you all are interested. Let me know. There were 11 of us which was just the right amount considering our need for Ann's help!

Trunk Show at Peace Hall

PLEASE SAVE THE DATE

TRUNK SHOW at PEACE HALL (5600 Sims Lane, NPR - behind the Historical Society), Wednesday, **January 7, 2026** at 6 pm.

We have been invited by the West Pasco Historical Society to host a lecture / trunk show of the history of our guild, our quilts and our quilt makers for the members of the community.

Contact Rhonda Koning if you would like to participate 727-808-3667. If you live in town, PLEASE plan to attend - this is an open house event, open to everyone and it would be WONDERFUL to have many of our guild members in attendance. Please share with your family and friends - this will also be a great opportunity for us to promote our upcoming quilt show!

City Hall Quilt Display

We have added another venue for showing our quilts during our 2026 quilt show. City Hall is allowing us to hang quilts in the hallway during the months of January and February. We will need 15 to 20 quilts depending on the sizes. The quilt does not need to be a current quilt you have made.

Also Save the Date for Tuesday, **January 20, 2026**. That evening the Mayor of New Port Richey will be proclaiming Quilt Week. We would love to have a large representation of members attending. We have also asked the city to put our name in lights. The digital sign that spans Main Street can be used to promote city events.

The West Pasco Art Guild will also be displaying our quilts during the month of February. West Pasco Historical Society and the First Methodist Church will have displays during the show.

With all of this plus our Ambassador Quilts, we will be filling the town with quilts. Thank you, everyone.

HOLIDAY PARTY

DECEMBER MEETING

Thursday, **December 18, 2025** at 10:00am at the New Port Richey Aquatic and Recreation Center we will hold our annual WPQG Holiday Party. We will keep the tradition of the guild providing the main course with members bringing side dishes and desserts. Please remember, no crock pots since we do not have electricity to the center areas. We will have prizes for best table decorations, best costume/holiday dressed quilter, and our gift swap will be a small ornament. If you will be doing the gift swap, please wrap or bag your gift and include your name in or on the gift. We want to be able to thank the giver! We will also have games and other holiday activities. Again, the guild will provide the main course, tablecloths, plates, flatware, cups, coffee, tea and lemonade. Please let Julie Gohring (770-680-8222) know if you will be sponsoring an open table so we can plan on how many to keep open. Thank you.

2026 Quilt Show Admission

For Guild Members

At the December and January Guild meetings you will be able to purchase your ticket for \$10 which includes a lanyard with your name tag. Please bring cash or check to purchase. Credit cards will not be taken. This will be your entry to the quilt show for the entire weekend.

“America’s Garden of Quilts”

2026 QUILT SHOW QUESTIONS AND ANSWERS

Q: When do I bring in my quilt for the show?

A: Monday, February 9th, 2026 is D Day, (delivery day) 9:00 am-12:00 pm. All show quilts, Guild challenge quilts, Youth challenge quilts, Bed turning quilts, and Boutique consignments are to be brought in that day. Also quilts for sale need to be turned in this day.

Q: What about my quilts I want to sell?

A: This is the first year we are trying this. Quilts that are hanging on the show floor can be sold if you wish. We need to know though so we can designate that on the info attached to the quilt. Other quilts not hanging will be in the demo and lecture room. All for sale quilts will need go through the Boutique consignment process. Michele Crary is the person to contact for this information.

Q: I cannot bring my quilts in on Monday, February 9th. What do I do?

A: You need to make arrangements for someone else to bring them in. There are no exceptions to this time.

Q: What is the Small Quilt Shoppe?

A: This is a Buy It Now shoppe for small art quilts. Perimeter of these quilts need to be 100 inches or less total. All money raised will go to the youth program at the New Port Richey Recreation & Aquatic Center. The quilts can be given to Pam King at any time.

Q: Why do I have to bring my quilt in to have a picture taken? You already have my picture on the registration form?

A: The picture on the registration form is for the Layout Committee so they can properly place the quilts. The picture Rhonda Koning will be taking of your quilt is for our Show Program. Our Show Program is the only one in the state that has pictures of show quilts. We are really proud of our Show Program.

Q: Can I withdraw my quilt from the show after I have registered it?

A: Yes, However, advance notice must be given. See policy below.

No-Show Penalty: In order to avoid a \$25 penalty on each quilt registered then withdrawn, you must give written notice to the Quilt Show Registrar, Shirley Zerbe, 7510 Handley Dr., Port Richey, FL 34668 postmarked no later than December 31, 2025 or emailed no later than December 31, 2025 to roscoezerbe@gmail.com. Written notice postmarked prior to December 31, 2025 will not be penalized. NOTE: Guild privileges (library, class discounts, membership renewal, etc.) are suspended until the penalty is paid.

Q: Does my quilt need a sleeve?

A: Yes, a four inch sleeve is required. The sleeve must be stitched down on both the top and the bottom of the sleeve. The quilt is hung on a rod, not pinned, so a sleeve is the only way to hang the quilt.

Q: How do I label my quilt?

A: All quilts must have a quilt label attached to the lower left hand corner of the back of the quilt with the name of the quilt owner, quilt name, etc.

What else do you have a question about? Contact Rhonda Koning, Susanna Brannon or Pam King.

2026 QUILT SHOW BASKET WALK

Themed Basket for a Quilt Show

Creating a gift basket for a quilt show is a wonderful idea! Here is a simple plan for a themed basket, from picking a theme and container to filling it with the perfect items.

1. Choose a theme and register with Susan Jawor

2. Choose Your Container

For this theme, the container should be something that can be reused:

Samples such as a wicker basket, glass jar, metal tubs or tins let your imagination flow!

3. Choose Your Fillers and make a list of contents

Now for the fun part! Fill your container with items that fit the theme you picked.

We will be hosting a workshop where you can bring your items and container, and we can help you put it together and dress it up for the Basket Walk. Once the baskets are completed, we will store them for you and get them to the show during setup week.

If you have questions please contact Susan Jawor 630-240-5630.

QUILT SHOW notes....

QUILT SHOW CATALOG ADS - Everyone PLEASE consider picking up a media kit and helping with selling an ad for our quilt show program. Business card ads start at \$50 through to full page ads of \$400. I am happy to email anyone a media kit - Questions? Call Rhonda Koning 727-808-3667

QUILT SHOW PHOTOGRAPHS! IT'S TIME!!

QUILT SHOW CATALOG PHOTOS will be taken at the December meeting - Please bring your completed quilt for the show to the December meeting IF you have NOT had your catalog photo taken at a meeting (or at a Tuesday evening group meeting). We will be set up and ready to take photo's at 9am. This will be the last meeting we will be photographing completed quilts. Thank you everyone! Questions? Call Rhonda Koning 727-808-3667.

**It's only 2 months, (that's right 2 MONTHS!), until the 2026 Quilt Show.
Mark your calendars now and block off the week of February 9, 2026!
Your volunteer time will be crucial to the success of the Quilt Show.**

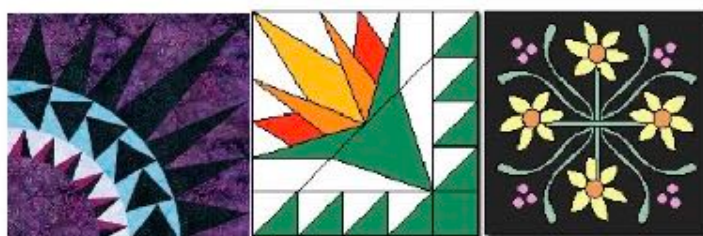

Block Party Silent Auction

With the success of the Block Party at our last quilt show, we are doing this fundraiser again at the 2026 "America's Garden of Quilts" show.

WPQG would appreciate your help!

Get with your small group, a friend or two and come up with a theme and/or a color scheme and make a set of blocks. It's that easy.

Show attendees will be bidding on packages of completed quilt blocks that they can put together by adding blank blocks, sashing, borders, etc.

Keep these guidelines in mind:

- Sets should have a standard amount of blocks to make a balanced quilt, wall hanging, or table runner (i.e., 4 - 12 blocks depending on the size and purpose).
- Blocks should be uniform in size and include seam allowances (8.5" not 8" blocks)
- Showcase your special skill – embroidery, paper piecing, applique, etc.

Have fun with it!

If you have any questions, please contact Kathy Sonosky at 727-992-7419.

Hospice Doves

The guild is making white felt doves for Gulfside Hospice. The doves are given to the family of the person who passed away under Hospice care. Betsy Turner and I have made kits and will be distributing them to the members at the monthly guild meetings. The Hospice Dove instructions are also on the guild web page. This is an ongoing project and they have asked if we could provide 20-25 doves per month. If you take a kit and you do not feel comfortable sewing on the eyes, bring the completed dove back and we have a member who has volunteered to attach the eyes. You can return the kits to either of us at the guild meetings. Thank you.

I would like to thank ALL of our members that help make Charity Sew a success. It is so much appreciated! All your hard work making such beautiful quilts is our Guild's way of touching the lives of children in a very special way. Without you it could not be done. Please continue to make all those quilts!
