

Cup Holder

Cut Front & lining 10" X 6 1/2"

Cut Batting 10" X 6 1/2" (If you don't want it in the seam allowance, cut a 1/4" smaller.)

Cut (2) 3 1/2" diameter circles

Cut (1) 3" firm stabilizer

- 1.) Either quilt batting to front piece or glue it on.
- 2.) Sew front and back together at TOP. (fig.1) Fabric face to face.
- 3.) Sew sides together forming a tube. (fig. 2) Fabric face to face. Leave it inside out.
- 4.) Sew/secure circles over stabilizer fabric face out both top and bottom.
(Top fabric facing out, bottom fabric facing out, firm stabilizer in center of top & bottom.)
- 5.) Last, the HARDEST part, sew circle to bottom of tube. Turn right side out and you are done!
