

FABRIC EXCHANGE/FAT CHANCE

The fabric is a fat quarter, a piece of fabric which measures 18" x 22", and is 100% quilter's cotton. Fabric swap in which Guild members turn in at the Guild meeting a fat quarter of quilter's quality fabric in exchange for a ticket. At the end of the Guild meeting, a ticket is drawn and a winner collects their fabric stack. If there is enough for more than one stack of fabric, the coordinator may choose to separate the fabric and select more than one winning ticket.

Guild members are asked to follow the monthly guide to fabric color/design, which changes monthly. The guide is found on the back page of our newsletter. This guide may change from year to year.
