

FACEBOOK/SOCIAL MEDIA

The Facebook/Social Media Administrator facilitates the communication between and education of Guild members through the Internet.

The President appoints the Administrator for our Internet Social Media page–Facebook.

The Facebook forum is a closed group for active Guild members only; it is not a public page.

The purpose of this platform is to keep Guild members informed of Guild activities as well as other activities that may be of interest to Guild members. The platform is for quilting related topics posted by and for Guild members only. It is not a public forum nor a platform for political, religious, social statements, or chain letters/posts.

Duties of the Administrator

- Accepts members who ask to “join” the Guild page, West Pasco Quilters’ Guild, by checking the active, current membership list that is updated once a month by Membership and posted on the “Members Only” page of our Guild website.
- Purges names of those who are not on the active, current membership list, as needed or once a year after membership renewal.
- Deletes posts that are not quilting related and those posts that are inappropriate.
- The President of the Guild serves as a moderator.
