Who

How

Who are they? Children? Vegetables? Aliens? Cats? Dinosaurs? Wizards? Fairies? Birds?
Give them a name. What are they like in CHARACTER and LOOKS. Brave? Kind? Nervous?

Who?....

When is the story happening? What is the season? What time of day is it? Maybe it is Christmas or Halloween?

When?....

Where is the setting? Where are they at the start of the story and will they be there at the end?
Or another place?

Where?....

What challenge is your character going to face? A mystery? A worry? A decision? A journey?

What?....

Why did the challenge happen? Was there an accident? The weather? A baddie! A mistake?

Why?....

How did the character overcome the problem and how does the story end?

How?....
