Gate System Directory		
<p><b>System Directory:</b> You may choose to have more than one Name and/or Telephone Number in the system as a Directory Contact for Guest Access.</p> <ul style="list-style-type: none"> <li>A separate Directory Code is also required for each Directory Contact. For ease of memory, it is recommended that you consider using the last four digits of your telephone number as your Directory Code, or some other four-digit combination that will be easy to remember. This code will not in itself allow your guests entry through the gate – it merely authorizes the gate to connect to your designated telephone number to request access.</li> <li>If you do <b>NOT</b> want your name to appear in the directory, you may allow guest access with a Directory Code and simply leave the Name blank.</li> <li><b>Each additional Directory Contact will cost \$15/contact.</b> The first one is free. Once approved, take approved form to Aria at 3110 N Interstate Dr, Ste 120 Norman, Ok 73072 for payment.</li> </ul>
