## RESILIENT

A Study of Daniel

COPING WITH UNREALISTIC DEMANDS- PART 2

**February 4th, 2024**

**Daniel 2:12-45**

Picking up from last Sunday's message- no one among the King's advisors could comply with his unrealistic demand to relate his dream and interpret it. So, Nebuchadnezzar ordered their executions. We pick up the story as Arioch comes to assassinate Daniel at the King's command.

We should be impressed with Daniel and his approach to a delicate but deadly situation. Let's learn some important lessons from Daniel's response:
