I have been working with Cristina since I started looking at properties in November of 2021. I actually flew into PV for the first time and was greeted at the airport by Cristina. We immediately got to work talking about the agenda that she had put together for my visit. We had spoken over the phone and email so she could gain a very comprehensive understanding of what I was looking for. I was only in town for a couple of days, so we had quite a bit of work to do.

Cristina has a very positive and energetic personality, and her love of the area provides a source of great enthusiasm. She also has a very thorough understanding of the real estate market in the Riviera Nayarit, which adds great value to her credibility. I would highly recommend Cristina to help find, decide, and navigate the real estate purchasing process in the Puerto Vallarta area.
