The question becomes does the Board look at renovating and adding to its current location or does the Board evaluate other options.

Earlier this year the Board of Supervisors hired the Architecture Firm of Kimmel Bogrette to conduct a feasibility study to evaluate Township owned facilities and properties for their suitability for the placement of a new Township Administration Building and Public Works Complex. At the July 15th Supervisors meeting the Architect presented three options. Of these three options, the Supervisors directed the Township Manager to evaluate Option C further. This option appears initially to provide for the future needs of the township for the lowest cost of the other options.

The new construction is also anticipated to include, on the same site, a new Public Works facility as well. The new Administration Building is also being developed to include space for the Recreation Department as well as the Sewer Authority, if necessary. With all Township administration and operations together in one location it will be much easier and streamlined for Township residents to complete their business with the Township. There are also significant operational efficiencies that will precipitate from this that the cost of running the township will decrease significantly. While we are still very early on in the conceptual and planning phases, it is anticipated that current revenues will support the cost of construction.

#####

EXPANDED TOWNSHIP BUILDING HOURS

The expanded Summer hours for the Township Building have been made permanent. We will be open weekdays from 7:30 a.m. until 4:30 p.m.

#####

**Township Offices
will be closed:**

Monday, September 6

Monday, October 11

Thursday, November 11

Thursday, November 25

Friday, November 26

The Board of Supervisors voted to have Trick-or-Treat night on October 31. Going forward, it will not matter what the night of the week is, it will always be observed on October 31 - Halloween.

West Hanover Big Tree News

In November, 2020 the EAC Big Tree Task Force visited Ann Markley's beautifully maintained home and gardens. The property is the former home of the Morris family. We measured an American Holly, a Boxwood and a Northern Catalpa tree. Although none were exceedingly large, they were all added to the West Hanover Township Big Tree Registry.

More recently, the Task Force measured a large Northern red oak on Jim Bailey's property, and added it to the registry. Jim is a dedicated steward of his trees, as he plants and cares for many. He's also very proud of a large walnut tree about half a mile north of his home. We measured the walnut to be 10.25 feet in circumference.

Anyone interested in proposing a tree for West Hanover's Big Tree Registry may pick up a brochure at the Municipal Building, or download it at the Big Tree Registry Link (under Government: EAC) at westhanover.com. After the owner's permission is received, EAC members will arrange to visit the tree, photograph it, and record it's measurements. The data collected will be used to calculate a champion tree point score, which will be compared with the trees listed on the PA Big Tree website.

All trees that are recorded by this method will be added to the West Hanover Township Big Tree Registry. If the tree appears to be a candidate for the PA Big Tree List, the property owner will be encouraged to submit the application to the PA Forestry Big Tree Coordinator. You can learn more about the PA Champion Trees Program at <http://pabigtrees.com>.

NEWSLETTER DISTRIBUTION

While we have instituted sending the Township Newsletter out via email and not doing a mass mailing, we recognize that not everyone has a computer and is able to receive the Newsletter by email. If you do not have a computer, please call the Township Building at 717-652-4841, extension 108, Eileen LaForce. She will put you on a mailing list to receive the newsletter through the postal service. Please spread the word, we want to try to reach everyone in the Township to keep them better informed.

Ann Markley hugs her large catalpa tree

Jim Bailey and his Northern Red Oak

CODES CORNER

BUILDING PERMITS Residents are reminded that ALL building permits require a FINAL INSPECTION to closeout the permit. It is the homeowner's responsibility to make sure a final inspection is scheduled and completed. If you sell your home, buyers may want to see any Certificates of Occupancy that you have for any additions or structural changes you made while owning the home, before you go to close on the home.

Anyone buying or selling a home in West Hanover Township will need to provide a copy of the stormwater fee to the settlement company.

BURN PERMITS A Burn Permit is necessary anytime you want to burn on your property. The permits are only valid for one burn. Each individual burn requires a new, signed permit. Burn permits are available at the Township Building and on the Township website. If caught burning without a permit, or burning items that are not allowed, you will be subject to legal action.

COMPLAINTS All complaints must be submitted to the Township in writing on a Township issued Complaint Form. Forms may be picked up at the Township Office, or downloaded from the website at www.westhanover.com. All Complaint Forms must be filled out completely and signed by the resident. The Township will not investigate any anonymous complaints.

FRIENDLY REMINDER All properties with on-lot septic systems must have their systems pumped every four (4) years. A report from the pumper/hauler must be sent to West Hanover Township. Please call the Township at 717-652-4841 for a complete list of licensed pumper/haulers.

ANIMALS RUNNING AT LARGE It shall be unlawful for the owner of any dog, cat, or domestic pet, to run at large either upon the public streets or highways of the Township, private property of any other person or upon any other property not belonging to, or in the possession of, the owner of such animals or to persons under whose supervision or control such animals are being kept.

The West Hanover Township Newsletter is published quarterly by West Hanover Township (WHT). The Township Newsletter is edited by Eileen LaForce with content provided by Township Staff, Committees and Boards. The newsletter is distributed to approximately 3900 households in the community. Statement of facts and opinions expressed in the Newsletter by authors other than Township Staff and officers are the responsibility of the authors and do not necessarily represent those of the Township officers and staff. Dirt From the Gopher Hole by Claire Zeiters

“What do we live for if not to make life less difficult for others.” George Eliot

The Dine2Donate program at Perkins is still temporarily suspended. It has been such a big success and we thank Bob Thompson for his support of the van program. Some folks are continuing to go to Perkins on the second Thursday as a show of support to Perkins. There is a West Hanover Senior Van page on Facebook and I will post on there when the Dine2Donate starts up again. We will still have it on the second Thursday of every month from 4 PM to 9 PM so if you go be sure to go with coupons in hand. You can have one for each person in your party and the van program will earn 10%. The more coupons turned in the better. We can even earn 15% if there are enough coupons.

The vans will not run on the following dates: Labor Day, September 6; and Thanksgiving, November 25.

We are looking for another dispatcher so if you think you might be interested, please call the van office at 717-652-1702. We will answer any questions you might have about the program.

If you know of anyone who would benefit from using the vans to get to medical appointments, grocery shopping, hair appointments, etc. have them call the van office number 717-652-1702. We can get them registered

The van office hours are Monday through Friday 10:00 AM and 2:00 PM. If you call outside these hours, chances are we will not be able to accommodate your appointment. We like at least 24 hours notice, more if possible. The hours for the vans running are 8:00 AM to 4:00 PM Monday through Friday.

Requirements to use the van service:

- Age 60 or older
- Resident of WHT
- Able to get in and out of the van with minimal assistance.

“The Gopher” - WHT Senior Citizens Van

West Hanover Lions Club Recognizes Legacy Fund

The Covid-19 pandemic made the past 18 months difficult for service organizations. Regular fundraisers, like chicken barbecues, had to be curtailed due to health and safety concerns. Nevertheless, the West Hanover Lions continued to provide scholarships and grants to deserving individuals and organizations until financial resources became depleted. That's when the Legacy Fund came to the rescue.

The Legacy Fund is a group of ten men from West Hanover Township: Roger Sipe, Rick Lawson, Paul Hepler, Dave Plouse, Doug Spatz, Kirk Ryan, Rick Sipe, Tom Smedley, Rob May and West Hanover Lions Club member Scott Rishell. The guys have known each other since grade school. They meet for breakfast weekly and go on vacations together each year.

They wanted to do something positive for the township, so each week they put some money aside. Their original plan was that the last surviving member of their group would honor their "legacy" by donating the money they collected to individuals and organizations in West Hanover Township. But they decided that they didn't want to wait until they died, so they started to give money to township families and organizations who needed help.

Since many of the fathers of Legacy Fund group members were, or had been West Hanover Lions Club members, the group decided to give a \$1500 grant to the Lions Club; and it couldn't have come at a better time. Their donation enabled the West Hanover Lions Club to continue presenting scholarships and grants even in the midst of the pandemic. At a recent meeting, the Lions Club thanked and honored the group for their generosity.

To learn more, go to the West Hanover Lions web site, westhanoverlions.club; or visit a regular meeting, the third Tuesday of each month at 7pm at the West Hanover Township Community/Recreation Center, 628 Walnut Avenue, just off Linglestown Road across from Central Dauphin High School.

Legacy Fund members honored at a recent Lions Club meeting are, from left to right, Roger Sipe, Rick Lawson, Paul Hepler, West Hanover Lions Club member Scott Rishell, and Dave Plouse.

West Hanover Lions Club Provides Scholarships and Grants

Again this school year, the West Hanover Township Lions Club will support local students with two \$1,000 scholarships and two \$500 grants.

The scholarships are for students with visual impairments and for grads pursuing higher education in a program related to environmental studies. The vision and environmental scholarships are available to graduates who reside in the area covered by the CD School District regardless of the school they attend, or even if they are home-schooled. Interested seniors can get info and an application at the Central Dauphin High School College and Career Center, and on the Central Dauphin School District website.

In addition to the annual scholarships, the West Hanover Lions are continuing to provide two \$500 grants for the Central Dauphin Vision and Autism Support Programs.

The West Hanover Lions Club also makes contributions: to support cutting edge equipment at the Penn State Hershey Eye Center, to fund the West Hanover Senior Van Service, to help families affected by disasters, to assist community residents with visual needs, to support local youth athletic teams and facilities, and to sponsor visually impaired campers at the PA Beacon Lodge Camp.

Learn more about the West Hanover Lions Club on their website, westhanoverlions.club, or at a regular meeting, the third Tuesday of each month at 7pm at the West Hanover Community/Recreation Center, 628 Walnut Avenue, just off Linglestown Road, across from CD High School.

West Hanover Lions Club Past President and Scholarship Committee Chairman Lee Swinsburg is flanked by scholarship winners from last school year, Jacob Poyer, left, and Emma Murphy, right.

TRAVELING DURING COVID-19 submitted by Jay Megonnell

Fall is a popular time for traveling. Now that many have been vaccinated for COVID-19, some are feeling the desire to travel again. The Centers for Disease Control and Prevention (CDC) recommends delaying travel until you are fully vaccinated, and provides guidelines for traveling during the pandemic.

Domestic Travel during COVID-19:

If you are fully vaccinated, continue to take caution when traveling. Wear a mask on planes, buses, trains and other forms of public transportation, such as airports and stations. Comply with all state and local requirements, including mask wearing and social distancing. Upon return from travel, self-monitor for COVID-19 symptoms and isolate and get tested if you develop symptoms. Follow all state and local recommendations and requirements.

If you are not fully vaccinated, you are encouraged to take a viral test 1-3 days before your trip. Wear a mask on planes, buses, trains and other forms of public transportation, such as airports and stations. Avoid crowds and stay at least six feet from anyone who is not traveling with you. Wash your hands often or use hand sanitizer with at least 60% alcohol. When you return from travel, take a viral test within 3-5 days and stay home and self-quarantine for 7 days after travel. Even if you test negative, stay home and self-quarantine for seven days. If you test positive, isolate yourself to protect others from getting infected. If you don't get tested, stay home and self-quarantine for 10 days after travel.

International Travel during COVID:

Fully vaccinated individuals are less likely to get and spread COVID-19. But, international travel presents additional risks. Even fully vaccinated travelers might have greater risk for getting and potentially spreading COVID-19 variants. The spread of new variants differs from country to country and travelers should pay close attention to the conditions at their destination before traveling. The CDC continues to update recommendations as more people get vaccinated, rates of COVID-19 change and more scientific evidence is available.

Understand and follow all airline, transportation and destination requirements regarding mask wearing, testing, or quarantine, which may differ from U.S. rules. You may be denied entry and have to return to the U.S. if you do not comply with international guidelines.

All air passengers coming to the U.S., including fully vaccinated people, are required to have a negative COVID-19 test result no more than three days before travel or documentation of recovery from COVID-19 in the past three months before entering the U.S. When you return to the U.S., get tested with a viral 3-5 days after traveling. Self-monitor for COVID-19 symptoms, isolate and get tested if you develop symptoms. Follow all state and local recommendations after travel.

Whether your plans are domestic or international, do not travel if you were exposed to COVID-19, you test positive for COVID-19, you are sick or are awaiting test results. Avoid traveling with someone who is sick. For more information on when to delay travel, visit:

<https://www.cdc.gov/coronavirus/2019-ncov/travelers/when-to-delay-travel.html>.

A Message from Don Holmes, Parks Director

Hello neighbors,

It was a fun and busy summer in the parks! Our Summer Recreation Camp had the highest registration ever. The kids enjoyed visits from the PA State Police, Susquehanna Service Dogs, WH Volunteer Fire Co., and our KidsFit instructor, Lisa Kelly. They also had a blast on our frequent trips to Mt. View Swim Club to keep cool!

Usually, I talk about upcoming events and happenings at Parks & Recreation. This time, however, I want to take the opportunity to express my appreciation for the staff and volunteers that make it all happen. From our administrative staff to our maintenance team, our employees play a huge part in making our parks great and our programming run so smoothly. I am fortunate to be on such a great team! It's not just us at Parks & Rec, though. We also have lots of support from the Public Works team, Administration, & Board of Supervisors. There are amazing volunteers on the EAC, Historical Society, Lions Club and Fire Company who lend their time and efforts to make our events successful and enjoyable for all. Without all of these partnerships, we could not do what we do. To all of you who help us along, THANK YOU!

On September 12th, a lot of these folks will come together at the 2021 WH Community Festival! to showcase their organizations and departments. Please come out and join in the fun from 4:00 – 8:00 pm. EAC will be building blue bird houses with the kids, Historical Society will do some township trivia, the Fire Co. will have their 'Burning House' that the kids can put out, and much more. Food trucks will be here to offer concessions, Jimbo the Clown will be twisting balloon animals, Hoffman Ford's Inflatable Village will be back, and a ton of games and prizes for kids and adults. Fueled by support from community businesses and supporters, this year will be the best Community Day ever! Come out and celebrate this great township on the 12th!

See you in the parks!

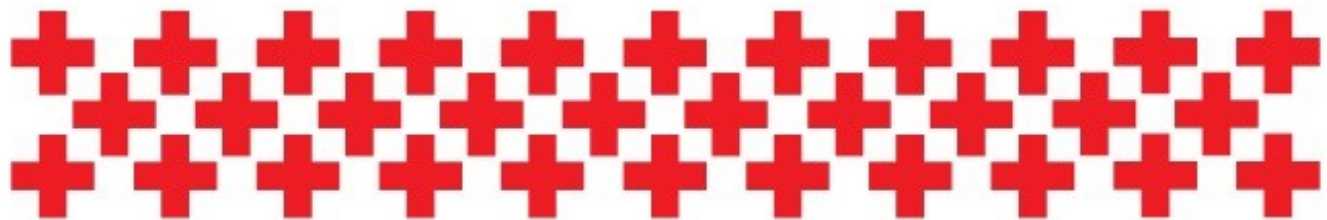

#####

PSP Trooper Kelly Smith visited the summer campers on June 29, 2021.
