

VERSICRETE™ SMOOTH Finish is designed to achieve a seamless, polished surface that enhances the underlying substrate with a refined, sleek, and subtle quality. Perfect for those who appreciate a clean, modern aesthetic, it also offers exceptional durability and low maintenance. This hand-troweled, five-component cementitious polymeric blend consisting of microcement, polymers, ceramics, and pigments, adheres to a wide range of surfaces, including concrete, self-leveling screeds, ceramic tile, marble, stone, plywood, and drywall.

Applications

Versicrete™ SMOOTH Finish is a versatile material that enhances and defines commercial spaces, furniture (tables, countertops, shelves, etc.), reception areas, showrooms, and residential settings. Its material quality bridges the gap between the past and the present, while adding significant value to any environment with its sleek, urban aesthetic. In addition to its modern appeal, it offers practical benefits like exceptional durability and easy maintenance.

Application Options

Waterproofing / Crack suppressing membrane

Substrate Preparation

Flat, level, and rigid substrates are required for the proper application of Versicrete SMOOTH Finish.

Concrete

The concrete substrate must be dry and properly prepared utilizing mechanical methods to remove laitance, contaminants, adhesives, etc. to achieve a surface profile of CSP3 to CSP4 (as per ICRI guidelines)

Available in 12 standard colors

(Refer to the Color & Finish Options Sheet)

Custom colors are available upon request.

Packaging

- 55 lb / 26 kg container of MC2 Medium microcement
- 10 lbs / 4.5 kg of MC3 Fine microcement
- 2.5 gallon container of MC Color
- 2.5 gallon container of MC Bond
- 1.5 gallon container of MC SealCoat
- 1 gallon (PART A) / 1 quart (PART B) of MC TopCoat

Coverage: Approximately 180 ft² / 16 m²

Shelf Life

6 months when properly stored in unopened containers in a clean, dry environment at temperatures between 50°F and 90°F. Protect from freezing.

SAFETY: PPE IS REQUIRED TO PREVENT CONTACT WITH SKIN AND EYES. KEEP CONTAINERS CLOSED IN A COOL DRY PLACE. WASH SKIN THOROUGHLY WITH SOAP AND WATER AFTER USE. USE WITH ADEQUATE, GENERAL, AND LOCAL, EXHAUST VENTILATION. IN ABSENCE OF ADEQUATE VENTILATION, USE A PROPERLY FITTED NIOSH RESPIRATOR.
