100 Employee Case Study. Savings implementing only 3 systems.

\$2.4 million in Govt Stimulus & savings in 1st year, \$ 5 million extra over a Decade.

- 1) **ERTC.** A \$2 million payroll tax refund. Given that inflation is 7.5 % and according to Reuters the Federal Reserve will increase interest rates 400% to 600% in 2022... our Hedge Fund will pay your ERTC refund in 1 month instead of 13 months at a net cost of 5.5% factoring in inflation.
 - ☑ Our Banks offer better terms and rates than your current bank. They also treat our ERTC CPA working papers as collateral for a loan and once you get your refund from our Hedge Fund you have diversified your lenders - we make them bid for your loan business to get you better terms.
 - ☑ Want Prime +2.75% (6% Feb 2022) 10% collateral (can be a loan) no origination fee, no pre payment penalty, does not lien home, and a 10 year loan (Min 640 FICO).
- 2) **SIMRP** **\$120,000 annual savings** in FICA taxes, payroll cost and workers comps by providing no net cost quality employee benefits that increase retention, morale, recruiting & productivity. Both Employer and Employees win.
- 3) **Healthcare savings.** **\$300,000 annual savings**, while keeping the same Healthcare Plan and Provider. There are many options here.

Additional solutions implemented for wealth creation and risk mitigation:

- A. **Capital Gains taxes.** 1993 US law IRC 1202 enables each business owner to not pay capital gains taxes on their first \$10 million of sales proceeds in a business sale of a qualified business.
- B. **FLS.** Create millions in wealth. For business owners using savings from #1, 2 and 3 above.
- C. **Sexual Harassment & Discrimination.** Peace of mind and cost savings since No client has had a lawsuit or government fine for either discrimination or sexual harassment. Less than \$5,000 annually.
