## **MISSION**

The mission of Moments of Hope Outreach is to give Hope to neighbors experiencing homelessness and those living in poverty in the Richmond area, by providing weekly healthy meals, life-sustaining supplies, health screenings, and connecting them with local, state, and federal health, housing and employment resources.

## **OVERVIEW**

Moments of Hope Outreach operates as a 501(c)(3) nonprofit ministry which began serving those experiencing homelessness in the Richmond north-side and Henrico County area in 2015. Since November 2017, we've served over 1,900 men, women and children; all but 235 are housed, but living in poverty. On January 2nd of 2018, we opened the Mo Hope Pantry to provide central Hanover County and southern Caroline County residents food, toiletries, and assistance applying for benefits & services, and have served over 600 men, women and children so far.
