**Simply fill in a short service request form with prefer timing.
We will arrange a telephone or VDO Interpreting call asap.**

The service is provided by an Experienced Community Interpreter from Happy Me Community CIC as part of a pilot 30 hours free interpreting service during March to June 2025. This initiative aims to expedite the delivery of essential support to the victims from Thai-speaking community. The project is funded by the Greater Manchester Victim's Capacity and Capability Fund.
