

## Robin Moorhouse sets her own challenge

*Robin adapted some children's nursery rhymes to make them more current. Can you do the same? Jack and Jill or Pat-a-cake, Pat-a-cake, or something completely different. Here are Robin's rhymes. Do send yours.*

Ding dong dell.  
No water in the well  
What can we do?  
Never flush the loo.

Ring-a-ring of Rosies  
Distancing with posies  
Attishoo, Atishoo  
Spread the virus round

Rock-a -bye koalas in the tree tops  
When the wind blows the branches will rock  
Then the fire burns the koalas will drop  
Along come Wires to rescue the lot.
