

## Betsy Baine's Dog

Betsy Baine is my best buddy  
She is BIG BAD and BOLD

Today her mum is mad  
Your dirty dogs paws  
All on the floors  
And the doors

Her dad is mad too  
Your dirty dog did poos  
And he chews  
My socks and shoes

Out, out her brother shouts  
Betsy get your messy dog out  
He ate my book  
And chased the chook

Betsy her sister cries  
Your dog is so dirty he hurts my eyes  
He made a mess on my mat  
And chased the cat

Big Filthy dog shouts her mum  
Bold Filthy dog shouts her dad  
Bad Filthy dog shouts her brother  
Out Filthy dog shouts her sister

Here Filthy here calls Betsy  
With a BIG BAD BOLD grin  
Betsy strokes her dog on the chin

And says I really was so very clever  
To call you Filthy the best name ever
