

CAT CHESS: JOHN HARRISON

Move,
said the cat,
to the rat,
who sat,
on the mat,
in our hall.

Your move,
said the rat,
to the cat,
who sat,
squatting,
watching.

Agh, hard luck,
now you're stuck,
Hi -catched.

Sorry,
that's not quite exact,
for in fact,
you took the bait,
so, now you're trapped.

My move,
'Check-mate'.
